

## Pre Conversion Awareness Checklist

- ✓ Review - **What is Conversion?**
- ✓ Review - **Proposed legislative and regulatory changes** ([tiny.cc/OntarioBill155](http://tiny.cc/OntarioBill155))
- ✓ **Georeference (GPS) your claims and report your coordinates** ([Ontario.ca/ckjx](http://Ontario.ca/ckjx))  
Confirm the physical location of your claim posts on the ground with the location and coordinates as show in CLAIMaps ([Ontario.ca/claimaps](http://Ontario.ca/claimaps))
- ✓ Understand **Post Conversion claim management** (organization of cell fabric)
- ✓ Review your mining claim's **holdings, interests, obligations and arrangements**
- ✓ **Submit Client Boundary Claim Report** (if needed) and run through one-on-one **Demo Conversion Module** (schedule by email: [Patrick.brown@ontario.ca](mailto:Patrick.brown@ontario.ca))  
confirm conversion results match your objectives to manage your mining claim interests, obligations and arrangements
- ✓ **Submit outstanding assessment reports**
- ✓ **Lease planning and initiation**
- ✓ **MLAS Phase 1 Launch system administration** – register and setup profile accounts in MLAS, take MAAP, apply for or renew your prospector's licence
