Pray Against Evil Being Spoken Over America

February 1, 2017

May the Lord impart peace and perseverance to us, dear Heartdwellers.

Today when I came into prayer - actually I've been in prayer all day. I was repenting - spending a lot of time repenting. The Lord is opening my eyes to more and more things in my heart and mind that just are not right. They do separate us from God.

And so, I spent quite a bit of time looking at that and asking for His forgiveness. Right after communion, I was given a beautiful gift by the Father, Who came and cleansed me, just with a wave of His hand. I can't even remember what He did, all I knew is that, standing before me He just blew all the sin and all the gunk and all the seeds away. And I was so very grateful!

He had done something like that for me just a few days ago - and I lost it! So, this time I was praying, "Please, Lord. Don't let me lose this!"

And even the Father said, "*Hang on to this one!*"

So, I told the Lord. I said, 'Please - send me extra help and grace. I am so afraid of myself.'

Jesus answered me, "*With good reason! You are far from being resolved about certain things. But as long as you keep your heart and eyes on My heart and eyes, you will remain strong.*"

"And herein is where most fail. They get delivered and forgiven and feel so good they launch into work that begins to take time away from prayer and repentance. I am being especially diligent to remind you of that priority and you spoke well when you said ministry is but the tip of the iceberg. I spent 30 years preparing for three years of ministry. That should tell you something."

It speaks volumes, Lord.

He continued, "*So, don't feel guilty about spending the entire day so far in prayer. It was My will for you and will bring forth the much desired fruit. Yes, I know you travail over your sins, and I am keeping you well acquainted with them so you can grow in humility, Clare. This is the pillar of the spiritual life, the pillar of Christianity; knowing oneself as God knows you. When people excuse sins based on popular opinions and peers and habits they alienate themselves from Me.*"

"When they grieve over their misdeeds, I draw closer and garland them with more graces, pulling them from the pits they have dug for themselves."

Speaking of pits, Lord - was any of that self-pity?

He answered me, *"Barely. Mostly you were in petition and repentance - much needed repentance. Now we can go to work with greater freedom since your sins are not weighing you down anymore. My love, hold onto the cleansing you got this time. Please?"*

Lord, what do I have to look out for the most?

Jesus answered, *"Judgement, Irritation, Impatience, Complaining as the Israelites did. Ungratefulness for all you've been given. Those are your major faults. Others from time to time can include Envy, Avarice and Greed, Self-will and Pride. These are the things you are fighting in yourself, Clare. These are the things that would destroy you if you encouraged them.*

"But if you stand guard over yourself and ruthlessly confront the evil that enters your mind, be it from your heart or outside sources. If you ruthlessly confront and put these things down, repenting immediately, there is some hope you can hold onto this cleansing this time. Go slower, My Love, go slower and pay very careful attention to what disturbs your peace. Therein is the tip-off. When peace is disturbed, Satan's afoot.

"We are not fighting against flesh and blood only, but a very real and calculating enemy who sets up circumstances to set you off."

Oh yeah, last night was a classic, I'll tell you. Just one thing after another.

And here the Lord mentions some of those things.

"Blenders that stop working, printers that malfunction, glasses that tip over and leave a mess on the floor. All of these are deliberate attacks - and of course a big one - when you can't find something essential."

Like your keys...? Your glasses...?

"All these things have the potential to start a domino effect that crushes the spirit and causes it to complain.

"Your recourse? When these things start to happen, rejoice that you have something to offer Me. Wrap them in the joy of thanksgiving, Clare - that you have yet another tiny wedding present to offer Me. You started to do that and it will deliver you from malice and rancor. Then the demons will be destroying their own kingdoms of darkness with their own hands, because what was meant for evil you turned to good. This you can do and it will have an effect."

Thank you, Lord. I so appreciate this instruction. Jesus, You know how heavy my heart is about Ezekiel's pain.

The Lord began, *"At least he knows what he is doing. Do you realize the crisis your country is in? Those plotting from underground, the ruling elite and their dark minions, are undermining their own government and fomenting civil war. It is not going to happen, but all this rhetoric and slander is bringing the nation down and must be stopped.*

"Evil is being spoken over this country 24/7 by the bought and paid for media."

Isn't that the same tactic the Nazi's used, in WWII?

"It is. They are coming against your president with great wrath and malice to try and undermine his choices. No person is perfect in all their choices, but I will tell you this - he is very close to perfect.

"All the accusations of wife abuse is nothing more than a smoke screen deterrent to make his already unpopular personality even less popular. As you have said to yourself, 'He who is without sin, let them cast the first stone.' What goes on behind the scenes in these politicians lives is just as unkind and abusive. What is different is that it is more detectable in this man. Clare, you know from years of counseling, this is very common in marriages. Not right - but common.

"I am calling on all my intercessors now to stand in the gap for this man and hold your ground which has been won at a very high cost. Hang in there - this, too, will pass. The first three months of this administration will be the most difficult. But soon after, when more corruption and betrayal by those who were entrusted with this country's welfare, will be exposed, then the shoe will be on the other foot. Until then, rough going. Stand your ground, intercessors. Don't give in to false reports or ruses to get you off the important track.

"Just like in the election, when all were saying that his opponent would win, things will turn around and Truth will triumph. Right now, it is popular to side with the naysayers, but a time will come when that changes.

"So, hold your ground, My People. You have made the right choice and you will see the fruit of his good judgment in your nation. That's really all you need to know, My love."

Thank you, Lord.

"I am sorry about what your husband is suffering, but I need every ounce he can give me. The battle rages."

Hope for the Poison of Pride - There is Hope for the Proud

February 3, 2017

May Jesus strengthen our resolve to be holy and accompany us with His grace for the journey yet ahead.

My dear Heartdwellers, this has been a most challenging time for me. I have been moved to pray for humility and the Lord hastened to reveal my pride. Oh, how painful it is to see your sins! Especially the ones you didn't recognize... although, I don't think any of us can easily identify pride. It has a way of being so hidden that you really have to examine your motives with a scalpel to reveal it.

Well, praise be to God, He has not spared the scalpel. He has revealed some of the hiding places where the poison of pride has been lurking and growing. I must tell you, I have cried for days - seeing myself this clearly.

Well, what brought this whole realization on was a long-standing habit I have been corrected for so many times before. Very simply, I had not been feeling well for three days and recognized part of it as a burden for the nation. But I wanted to kick myself out of it. So, I decided to go swimming in a tiny pool we have on our porch.

My husband discouraged me and said, "Honey this card just fell out on the floor and I felt it was for you." It said, 'Play with Me' and was an invitation to play music with the Lord.

I, thinking I knew best, answered him, "Ok - after I go swimming. I need something to kick me out of the doldrums."

Well, I certainly got kicked alright. I got in the shallow pool and pushed back the lid and had a freak accident. The top end of a 5-foot board we had put between the window and the wall temporarily, to block air flow above the hose to the washing machine, (which had to go outside) came slamming down from about 6 feet in the air directly on my head. And it had two screws in the top, which cut my scalp open.

I don't remember ever having such pain - it was off the charts. I cried and cried and cried and Ezekiel came running and brought ice, alcohol and napkins to clean the blood off my face. I couldn't understand why the Lord allowed this to happen. After all - hadn't I just spent a good 2 or 3 hours in repentance for my sin? Why did He permit this??

Well, it wasn't long before I could see why, very clearly. My husband, like the good man he is, is usually very solicitous for me, watching out for my health. And he suggested that I didn't go swimming, but rather go straight to the keyboard to make music. And I, thinking I knew what was better for me, got in the pool. I poo-poo-ed his suggestion, which would have saved me from this very painful accident. Now my head was throbbing, blood was pouring out and I could barely apply ice, it was SO painful...and I wouldn't be playing any music tonight.

I could see my pride very plainly. After all, 'I know what's best.' The Lord put Ezekiel in place to protect me, but I didn't listen. I did my own thing. Wives - watch out! What out for that familiarity - you just go ahead and do your own thing. Authority is a beautiful, beautiful tool of the Lord when it's used with gentleness and kindness. But in my case, I was pretty hopeless. I didn't listen.

You see, the Lord didn't arrange that accident, the enemy did. The Lord knew what would happen if I got into the pool and He was trying to warn me. But I was too proud and self-assured to listen. I had my own ideas: I needed to go swimming.

I can't tell you how many times in my life I've been so self-righteous. But to bring the point home, my dear family, I had been repenting for hours and never saw this coming. Isn't that the way? We just don't see our pride and self-sufficiency. And now instead of a wonderful night with music, I was in bed with a goose egg and ice.

I apologized and told Ezekiel that I knew why this happened. I told the Lord I was sorry. And I saw Him in the spirit tenderly stroking my head wound. He was so tender and loving. And I felt like such a fool.

Well, that set off days of more repentance and even depression over how bad my sins really are. So, that's what He is addressing here in this message. By the way, when I awoke in the morning, there was

no pain at all. Not in my head or on my head - and barely a raised spot. He had healed me. I should have had a goose egg that was very painful to the touch.

But in the aftermath of this, I started recognizing how proud I was in the way I wanted things done. I had ideas about everything and my way was always the best way. Oh yuck!!! The Lord opened my eyes to this egoism and it hurt way worse than a board with two screws hitting my head from six feet up in the air.

So I came to Him in prayer with this very thing foremost in my mind.

Dearest, I am under such conviction that it is difficult for me to focus on anything but my failures. Yet I must thank You for not sparing me enough of the truth, so that I may have the will to change. Thank you, Lord, for not showing me the whole truth...I know I would die if You did.

And Jesus began, *"Yes, Beloved. I protect you from what you cannot handle lest you die of hopelessness."*

Boy, I felt like I was coming close to it these last few days...

"Yet, I only reveal that to you which you are ready and willing to conquer in yourself. I have no desire to discourage you."

"Clare, My Love, I am so sorry for the deep depression and conviction you are going through right now. I am with you, Beloved - supporting you, holding you up so you may continue to walk. I know you are a sword in your own heart. I know you feel helpless and lost to change anything, and you are right to feel that way, because it is far beyond you. But believe it or not, you are improving. You really are. I see the struggle you have even before you get out of bed. I see your valiant effort to cast off this yoke. I honor that, you know. I find joy in that little, little act of renouncing something licit - but not what I want for you."

And as soon as I recognized that, I said, 'NO! I don't want that, Lord. I want only You!' And here He is referring to the struggle I had this morning before I got out of bed.

He continued, *"I am with you, here at your right hand, and oh how I love you. So please do not let yourself become discouraged. This is all part of the humility you asked for. Every bit of this serves a purpose to bring you closer to your goal. Please, don't cry anymore. Just take up the standard of righteousness and walk in My courage and victory, because I am supporting you. Don't allow the magnitude of your sinfulness overcome the good that is coming forth from Me to our sheep. Your state is just so very similar to theirs and that's why they relate so well to you."*

"Clare, if there is hope for you, then they have hope. Hang onto this hope; it will not disappoint."

"My people, when you are standing on the solid ground of humility you are safest. It isn't easy, seeing your vulnerabilities and weaknesses. It isn't easy, knowing you have a long way to go still in this journey. But I am with you ALL the way, and the more sincere you are about eradicating sin from your lives - the more pleasing you are to Me, the more I unite Myself to you. The more I carry you."

"When you behold your sins you are looking at layers and layers of conditioning and DNA from your ancestors. You are not fighting just sin in your own life, but in the lives of those before you who have"

contributed to your conditioning. In a sense, you are undoing the evil they have done. You are stopping it at this generation. You are coming against a tide of evil going all the way back to Adam. It is a mighty endeavor to bring to a halt to what has become second nature to man: selfishness, greed, sexual misconduct. Just a huge tide of evil you must deal with every day.

"That is why I keep you away from the media, because it feeds on the lowest common denominator of men and plays on your vulnerabilities. And the more you separate yourself from this wickedness - the better. I do not ask you to forsake healthy and faith-building videos, just the degenerate and destructive ones. I have poured much goodness into the vessels using this media and you will receive inspiration as I direct you to the right ones.

"Still, Beloved Ones, there is no substitute for holy dwelling prayer where you and I meet face to face to love one another, to discuss your challenges and petitions for loved ones and your nation. No substitute. So, please be vigilant and nourish your soul with the sweet honey that flows from My heart to yours.

"I know it is difficult to confront your faults, so when I allow this, do not grow despondent. Rather, cling to Me with greater resolve. In the end it is My love for you that will cause you to forsake sin in your life.

"When you love Me with all your heart, and there is nothing left for self-love, then you will conquer your sins. When I say 'sins', I also mean those things which you know are not expedient for you to indulge in because they woo you away from Me by their own attractiveness. Every step away from these things makes you stronger and clears the way for more grace, more understanding and more spiritual gifts. If you start to slide into the past or indulge in faults - stop! Repent and pick up where you left off - and keep going. I do not condemn you for these falls; rather I approve greatly and rush to support your will to pick up and keep going in the right direction.

"Understand that you are not alone in this journey, there are dimensions you do not understand in your very cell structure and DNA. Things you have had no control over. As it is written "I, the LORD your God, am a jealous God, visiting the iniquity of the fathers on the children, on the third and the fourth generations of those who hate Me, but showing lovingkindness to thousands, to those who love Me and keep My commandments." Exodus 20:5-6

"In addition to your soiled lineage, you must also fight the demons that come from within it and know you far better than you know yourself. And to make matters worse, with the increase in demonic activity and darkness, you must rally up new resolve to overcome the obstacles to holiness.

"But I prepare you for these challenges in advance, if you are listening very carefully. I equip you for what I know will assail you, and I am with you in the fight. There are angels that assist you and fight with you as well. I do not leave you on your own. It is yours only to persevere in the right way, it is Mine to reinforce your good resolve with My grace.

"For it is written: 'I will not leave you without help as children without parents. I will come to you.' John 14:18

"So, carry on, Dear Ones - and don't be discouraged by your falls or faults. Rather, pick up and cling to Me with greater and greater resolve. And together, we will walk the rest of this way into Heaven."

Guard Your Hearts and Bodies from Demonic Influence

February 6, 2017

May the blessing of purity and a pure love for Our Savior be our reality, in spirit and in truth.

Well, my dear family, I have much to say to you today. During my communion service, President Trump was presented to me to pray for, and I sense he has a decision to make and needs to be saturated in Godly wisdom.

It doesn't have to come with an evangelical buzz-word. Infused knowledge, knowledge and understanding from above, is what I sense he needs.

Interestingly, North Korea came up today and I pray that Our Lord will forestall any attempt by that enemy to attack our country. I am also praying that the President will see how dangerous it is to have our troops all over the world and not sufficient protection here in an 'unwalled continent living in peace.'

My heart is saddened by the slander against the President and his decisions and I pray for an end to the libelous media coverage of his office. And that people will begin to boycott the major media, because they will see they are working for the Elite whose agenda is to destroy America - something Obama came very close to succeeding at. Now he is wroth, because he has lost the seat of power, yet he never tires of finding a way to destroy our freedom.

And I would ask any of you, if you have any advice on how to get those bleeps off the telephone that come from the different news agencies - I don't want to have anything to do with those people. I want to unsubscribe from all of that. If you could let us know how to do that - let me know, please. 'Cause I'm really sick of this and I want them to know that I'm not going to be tuning in to them. Even though I wasn't tuning in before! They deserve to be boycotted. And the Lord has been trying to get our attention off the media for a long time, so this is something new. But for those of us who haven't quite extricated ourselves from the habit, I think that boycotting it will make an obvious statement, that the ratings have gone down and people aren't interested. They are not interested in listening to lies any more. They are losing viewers because of poison.

I wanted to mention - some of us are going through serious sufferings again and we will be until the 'monster' is caged. Judging from what the Lord said recently, 90 days from the date of his inauguration - that means June should be a turn-around month for America. And I am hoping and praying the corruption of the previous administration will be completely exposed to the public, so they can see how duped they've been by personalities, rather than their track record or performance.

Speaking of which, if they looked only at the hard facts they would see they've been played. One fact is...the stock market rose to a record-breaking high, thanks to some of the first measures President Trump has put into action. Not that we should judge things financially or by money, but that is an improvement for sure. And it's a sign of recovery in our nation.

What great things we can look forward to seeing when abortion is finally abolished on American soil, the way it is in Russia.

But, changing the subject, one of our prayer warriors had a word for us which I feel is very important to pass on to you. Guard your hearts.

She had a dream. It begins: "Guard Your Heart."

"The most important thing right now is to guard your heart. You need to guard your heart, because it is where all emotions grow, where all thoughts are stored. And where all of My graces come forth first, where I abide in you."

And I guess this is the Lord speaking to her.

"The heart is the most important organ of your body and in the spiritual world is also important. It can store LOVE, mercy, anger, freedom, bitterness, courage, or compassion." "

She continued, "As I hear the voice of the Lord and repeated everything that He was saying, my husband never woke up - and he's a light sleeper!"

So, that was a supernatural act in itself.

"But I was seeing in the spirit a very small, intense light going around every one of the flowers and a swirly metal thing touching them and releasing them into Earth. As they were coming down to Earth, He kept saying 'Guard Your Heart.' I saw how they came into each person in Earth that is a believer and came inside their hearts. I asked the Lord 'What is going on?'"

He said, "Look into your heart."

"I looked at my heart inside my body - the real thing. It has to be in the spirit, because I saw my heart. Plus, I was awake by them because of my voice, but with my eyes closed. When I was looking at my heart, I saw these flowers entering my body and covering my heart. They were white flowers, which are not seen in Earth, and they covered my heart. As they cover the heart, they change into white ivory incandescence - a box with a huge flower on top protecting and guarding my heart.

"He was still telling me to 'Guard my Heart'.

"Family, all of the flowers and metal swirly things that were sent to Earth last night were thousands upon thousands of them. We need to Guard our Hearts. All of you have some kind of box protecting your hearts right now. From what? I don't know.

"Maybe in prayer you can ask the Lord what kind of box He put in your heart last night and why do we need to guard our hearts? Maybe you already know. Maybe this is a confirmation to one of us of something you have been talking to the Lord about. But your heart has been GUARDED by the Lord."

Interestingly, this dream came on the heels of an experience one of our Heartdwellers had and I want to share this with you, because if this person had these experiences, others of you may also be having them. And I want to protect you.

Most of you know that I have shared intimate times with the Lord in Heaven that have been very beautiful and many of you have also. But you must also be, oh so very, very careful and discerning.

The devils are very clever indeed and they know how to pervert something beautiful and make it vile. Over and over again I have brought home to you that the Lord is not carnal, not sensual. Not in the least. He is a virgin and very, very pure. He has very strong boundaries and would never do anything suggestive of human carnal intimacy. In other words, sexual advances or sensual advances.

Dear ones, the Lord is ALWAYS properly clothed. He does not invite nudity or physical contact that could be interpreted as foreplay. If there is ANY, ANY, ANY suggestion of disrobing, it is NOT, NOT the Lord. It is a demon masquerading in the appearance of a man that looks like Jesus.

There are demons, probably thousands of demons, who play this role and try to seduce women and I would imagine men, as well. And I am exhorting you, Heartdwellers, do not allow this deception to be played on you. It is an affront to the virginity and purity of our God and it comes from the pit of Hell. No matter how innocent or pure it seems, it is not the Lord - it is demonic.

If you are having visitations from the Lord and He is taking you to Heaven and throughout the universe, He will always be spotlessly proprietary. An innocent kiss, holding hands, or dancing with you. But He will never make an improper advance. He is pure as a little child.

In my early years, I was tested in this area of purity and with His help was able to pass through it - but I must say, it was a close call.

Now please - do not become discouraged if you've been fooled. He loves you so much, all He wants to do is set your feet on the right path again. His heart is about restoration and the fullness of His glory and love for us. If you've been tempted or fooled, please - just tell Him you're sorry, ask Him to protect you from such lying demons in the future so your relationship can continue to blossom and go deeper in a Godly way.

Lust can be extremely veiled under the pretext of affection. If you are in His presence and an ecstasy overshadows you - that is valid. If there is any hint of sexual stimulation leading to an ecstasy, you can be sure that is demonic.

As He told us once in Chronicles of the Bride, sex does not exist in Heaven - everything is in a higher ecstatic and joyful state than what we experience on Earth through sex. I have never, ever experienced any hint of sexual stimulation or thoughts, even - while with Jesus. Everything between us is pure and innocent, without a hint of carnal or sensual pleasure.

That is my conviction, based on experience with Him. So I am passing that onto you to protect you from falling into impurity and lust with a demon. Creatures such as these are very powerful and able to generate sexual urges to humans without our consent. Many, if not all of us, have had dreams or physical feelings we had no explanation for. The explanation for that is very simple: they are demons of

lust. Wake yourself up, rebuke them, take a cold shower - do whatever it takes, but don't fall into impurity.

Why does God allow such attacks and deceptions? He is allowing us to be tested in purity. Many times He allows this because of self-righteousness and pride. Those of us who tend to judge and look down on others, you may very well be humiliated in this area to reveal your weaknesses, so you dare not judge others again or pride yourself on your intimate relationship with someone you have been fooled into believing is Jesus.

Also, I want to add, that not all of your encounter with the Lord may be from a masquerading spirit of lust. You may be perfectly, innocently in Jesus' company, and all of a sudden things change and it's not Him anymore. So don't discount the entire experience. Isolate the part where sexuality seems to come into play. That does not discount the true and pure relationship you have with Him, it just reveals that you can be fooled by the enemy. So stay humble.

Lord, do you have anything to add about this?

Jesus began, "I wish I could tell you how many of My children have fallen into this trap, because they were not alert to deception and did not know My character well enough to resist. It is extremely humiliating to you, dear souls. I know that. But I do not condemn you. I lift your chin tenderly to meet My gaze into your eyes and tell you, 'Your sins are forgiven; go and sin no more.' That is My Heart for you."

And just as an aside, I was reminded of the scene from Jesus of Nazareth where He lifted Mary Magdalene's chin and told her that her sins were forgiven her.

The Lord continued, "Some of you will not receive this word well, and for you I emphasize, 'Test the Spirits.' Did I have an illicit or even licit relationship with Mary Magdalene? I did not. Was I ever tempted? Yes, I was tempted - but did not sin. Being tempted is not a sin if you cast off the imagining immediately and do not indulge it. If you play with it, you have sinned. Repent. Get back up and come running into My arms. I know how powerful the human sexual urge is. I also know how powerful the demonic interventions to cause stimulation can be. I forgive you. Be wiser next time and be oh, so vigilant to the leaven of pride, because it proceeds a fall.

"I am with you always. I invite you into My arms. I rock you as a mother rocks her child. I dance over you and with you in joy. I swim with you in modest attire, and you will never, ever feel sexual or sensual stimulation in My presence, ever.

"If you feel that, you are being sifted by an impersonating demon of lust, of that you can be sure. There is great merit in resisting such impulses and rebuking the demons. It can be a form of suffering, just like sickness, or temptations to spend money, or enter into jealousy. When you resist it, you grow in virtue.

"I love you tenderly, My precious ones. Tenderly, but never, ever sensuously. Guard your hearts and your bodies. And keep them pure, even as I am pure."

COURAGE My Children, COURAGE Pray No More Abortions

February 9, 2017

May the courage Jesus had on the way to Calvary strengthen all of us on this journey.

Well, my dear ones, you are making inroads with your prayers and offerings. And the Lord is encouraging you today. We still have a ways to go, so Courage and Endurance are what we are called to persevere in as we cleave to Jesus.

He began speaking, *"Courage. Courage in suffering, My Children. We are not out of the woods yet with your President and much intercession is needed to move on the hearts of those who are resisting him and causing delays. They are making it very hard for him to initiate the changes that have to be made.*

"But they will bend. I, Myself, will see to it and we will get past this point. But it is going to take much perseverance in prayers and offerings, especially for your Senate.

"My Christian people, choose wisely those who represent your region. There are traitors in the Senate who are bought out by the one world government and you put them in office. Now that their agendas have been exposed, I plead with you to make better decisions in the future. You do not want to live under the rule of corrupt men who are endorsed by Satan. But because the many in your nation have been moved by personality and appearance...

And I might add on my own - the media. The corrupt, paid-for media...

He continues, *"But because the many in your nation have been moved by personality and appearance, they have been deceived into voting for the Destroyers. Yes, I give them this name, The Destroyers, because they work for The Destroyer.*

"The choice has been given into your hand, because you are a democracy, but you must go deeper in your understanding of who is on the enemy's side and who is on My side. Once you have determined that, it is your prerogative, your honor and your duty to pray and vote them into office and pray behind them as they move forward.

"We are going to win this but not without casualties and suffering and that is why I am asking you to receive your courage from Me. Those of you who are suffering, meditate upon the wounds in My hands and feet and side as well as the head wounds when I was crowned with scorn. This same scorn is alive and well in your government, your Senate and even in the House of Representatives. It calls for patient endurance. If you have prayed for your government, you can be sure that whatever sufferings you are now enduring, whether it be physical or at work and in the home, what you suffer is being taken as a sweet smelling sacrifice and being offered to the Father that His will be done in your nation.

"Nothing you are suffering in this hour is in vain or wasted.

"Do not grow weary in well-doing. Hold fast to My promises and know that the more you resemble Me, the more powerful your prayers are.

"The souls of innocent little children also carry much weight before the Father. They may not understand politics, but they understand killing babies in their mother's wombs. And with this on their heart, they will pray as powerfully as anyone can pray. Ask them to pray that no more innocent babies will be killed in America, and even in the world, but especially here - the land of freedom and safety for all but the babies in their mother's wombs.

"I am standing with you, America. I am fighting for you and the freedoms you were to represent. Although there was paganism in the founding of your country, I have inspired many of the principles that were written into your constitution with a mind to someday making you a model nation of morality to the world.

"The abortions MUST stop, because My Father's wrath will not tolerate this heinous sin. Indeed, America has been the Great Harlot. Unless that changes, she will reap the justice she deserves.

"Indeed America has been the great harlot and unless that changes she will reap the justice she deserves. But because of the good that Americans have done in tending to the sick and third world nations - the poor of the world. Because of the efforts of many missionaries and your support of them, My Father's hand has been stayed for yet another season in anticipation that things will change under this administration.

"Pray very hard for President Trump, that he will feel My conviction over the sins of this nation, especially abortion. Pray that the conviction goes very, very deep and that he stands against all pressure and opposition that will be leveled against him as this agenda moves forward.

"I, in turn, will protect him.

"Your dedication to prayer has made all the difference - that at the present time you are not running from the North Koreans and Chinese and Russians, but you are living in unwalled cities, reaping fruit from your own fruit trees and bringing in the harvest and eating well. Had things not changed during this election, you would be looking at devastation and starvation right now.

"Take My words with great seriousness. Stand in Courage, My Courage. Meditate often on My Passion, even the remembrance of My steps to Calvary. You will gain the strength to persevere. I am with you and working on your behalf that My Will be done, My Kingdom come, on Earth as it is in Heaven."

Come To Me In Joyful Expectation

February 12, 2017

May the sweet presence of Jesus draw you deeply into His heart, Heartdwellers.

After about ten minutes in dwelling prayer I saw my sweet Jesus. He was crying, so happy to see me and have me cleave to Him. I hugged Him for all I was worth and He rocked me back and forth in His arms.

This morning, as I began to feel His presence, my heart began singing to Him. I was going to listen to Julie True for worship, and He said, *"Why would you want to listen when you can sing to Me?"*

And as I pondered that and began with the first two lines of the stanza, all of a sudden, new lyrics came clearly into my mind and the entire song came together effortlessly.

And just as a little background in this, I had originally written the song in F, but then I couldn't hit the low note at the very end. So, I experimented. Tried a B. I liked that, but that was impossible, after 4 hours of trying to put chords to. So, then I settled for a C because I could hit the last note. I wrote the lyrics and notes out in a C. Then I began singing the song kind of naturally and effortlessly and it sounded right. And I thought, 'Oh, I hope this is in a C!' Nope - it was in a G. Wow...more work on the note placement and then the chords.

So in the end, in the space of three days, I went through three different note and chord progressions writing everything out meticulously. So, if you wonder where I've been, I've been working really hard on music, really applying myself. This first song is going to be wonderful. But it's proven to be a challenge. My coordination on the piano - I've had to have a lot of prayer for. So, we're working on it. And I think things will be more and more effortless as time goes by and I get a little practice under my belt.

So, I was wiped out. And this morning, after getting the right note and chords, I was coming out of a frustrating three days...each one with the same song in different keys.

But it was sweet this morning. I felt peace and settled like "I'll be happy with this arrangement." Yet I wondered if I should be praying first - but I didn't want to lose the lyrics that were coming so clearly and effortlessly.

You know, if there is a way to make you feel guilty, the enemy will surely find it! So, in all honesty, I was ducking my head a little when I came into prayer, because I thought I might be in trouble for writing the song instead of staying in worship. Really - you need both! Yet the Spirit was so sweet as the lyrics came, I just couldn't resist. I felt so connected and passionate from my heart as the words came. And all I wanted to do was sing over Him.

Well, we have our fragmented days, too. And today was one of them. Three different people coming and going and needing supervision and I pulled away so very painfully from this beautiful work to help

them get settled. My chance to be with Jesus in this sublime and sweet way didn't come until everyone had gone home and I had rested for an hour.

As I sat with Him He began to speak:

"I want your worship and music to be seamlessly united to Me. The two are one, Clare, and what begins in worship should move seamlessly to the keyboard. You did not do the wrong thing this morning; you did what I wanted you to do and what I asked you to do. Music first. But from a place of worship - this is the secret. We as two become united as one, and will do this together.

"You are beautiful, My Dove. How I miss those trusting eyes. When you look at Me, most of the time it is with fear. Oh, how that hurts Me. Why are you afraid?"

Because Lord, You are holy and I am just a sinful woman.

He continued, *"What you say is true, but you are under construction and I want you to come to Me as the construction manager on the job. You've done your best. I've watched you all day handle one complicated situation after another and although you feel you've done badly, we both know you've done your best, and all that was in your capability to satisfy the needs of everyone.*

"And you've denied yourself. I saw you looking at that bracelet. How I love to bless you for your faithfulness."

It was a tiny heart bracelet with red enamel on silver. I just happened to pass by a window and see it - and I looked at it rather wistfully. Then I went in and told the sales person, "I need to check with the One who provides first."

She said, "Well, remind him that Valentine's Day is coming up!"

I said, "Oh no, not my husband - but the One in Heaven who provides for us."

She and the other sales woman laughed as if they understood and remarked that He is our provider.

Then when I came home, the Lord quickened to me that He wanted to give me the bracelet as a gift. So I went to Ezekiel and he confirmed it.

Now the story behind this, is that I wanted is a simple, inexpensive bracelet to remind me of HIM, with a medal of the Shroud of Turin on it. Something I'll see when I'm playing the piano or writing lyrics. I have the medal, but I needed a bracelet that said something special. And the one that I saw in the store was too expensive.

So, "we" went Google shopping and found just the perfect ring, and a delicate bracelet with 12 deep red stones in the shape of hearts linked together. I thought of the twelve apostles and was overjoyed when the Lord picked it out with me.

What a beautiful gift, Lord!

"Do you like it?" He asked sincerely.

Oh, yes - I think it will be perfect. It's not flashy but tender and diminutive. I am very touched, Lord. I want to cry. Thank you.

Well...on to the next adventure...

Lord, You alone know what I'm feeling now. I am grateful, but so frustrated.

He answered me, *"Patience. This, too, will pass."*

Well, before all this came up earlier in the day, I'd lost my patience and complained when I should be rejoicing.

Please forgive me Lord. I am so sorry.

Someone I had been praying for got a healing and now they were pestering me to the point where I couldn't get a thing done. Oh, I was so frustrated! But the foolishness of that, they were healed and happy and I was irritated!

Oh, Lord - how do you tolerate me?

"You have a very real enemy, My Beloved. You are My Beloved. And I adore you. I was crying because I missed you and you came running into My arms as soon as you had the opportunity. Do you know how grateful I am to you for this sweet attention?"

"And when you hold the communion host and kiss it gently as if it were My cheek, do you know what that does to Me? I melt. I long to take you to Myself in Heaven be with you forever and ever. It is a bittersweet moment for Me as I know it is for you."

And that's for sure! That and looking at the portrait. That really knocks me over sometimes. I really look at it sparingly.

The Lord continued, *"Oh children, children, I long for your love and attention. I know your days can be so fragmented with distractions. But after you recover yourselves, don't run from Me, run to Me! When you run to Me, My heart cries out, 'Here she comes, My Bride finally broke free and she's running to be in My embrace again, because she longs for Me as I long for her.'"*

"That's what I say, truly. Then I melt. If you are turned away by an earthly care...I am crushed. Don't let the enemy pull you away from Me."

"That's why I grasped you so tightly and cried, because you did make it despite the enemy's attempts to steal you from Me again. This is how I feel about you. I am overjoyed when you come to Me."

"Understand that on another level... Look at it this way. I am the construction boss, you are one of My employees. You are in charge of building part of a very tall skyscraper. It looks messy because it is messy. Materials are being used, trimmed back, plastered, nailed, welded. Oh, so much is going on at the site. Trucks come and go dropping loads of gravel for cement, bringing in steel beams and cables. Heavy equipment is moving and erecting scaffolding. Piles of metal wires and all kinds of materials that

are left over from the day's work leave the yard looking dirty and disorganized, but another floor has been added to the building and it is going up.

"It looks pretty ragged because it's under construction. You have done your best as the crew boss, you've finished another level, but it was messy and leaves you feeling as if you didn't please Me, when in fact you did, Clare.

"The enemy never rests. He is continually looking for ways to steal your peace, and his favorite is perfectionism, judgement and condemnation. While I am standing by smiling at the work you completed, though it is still messy.

"In the twinkling of an eye, I will finish the job, clean up the mess and leave it spotless. In the meantime, each level is being completed and the building is rising higher and higher.

"I am not a mean-spirited task master! I am the lover of your soul, ever so happy to see you about your work for Me with a heart of love.

"When the days go badly and are fragmented, I understand. I see the forces opposing you. I watch you wade through them with as much love and patience as you can muster, and I am pleased with you that you persevere no matter how messy it looks - you are still committed to seeing it through.

"But you cannot have a heart of love if you are continually looking over your shoulder at Me, fearing that I am displeased with you. That displeasure will carry over into how you deal with others. That is why you need dwelling prayer. You need to experience My joy and satisfaction with you. You need to bond and soak up the love I feel for you. Then you will be encouraged and strengthened to begin again tomorrow, overflowing with love for your brothers and sisters.

"So, I am asking you My Brides - come to Me, knowing that whatever you've done or failed to do during the day, I love you. And I appreciate your every effort, more than you will ever understand. That's why I want you to sit before Me in the portrait. It conveys that love and appreciation and gets your heart and mind going in the right direction until you are open and connected to Me in your spiritual vision and emotions.

"You see, I am terribly misunderstood and taken as a harsh and cruel Person. 'You must do this, you must do that, your job was not done perfectly!' - brow down and finger pointed. No No! Rather I am tender. Tender-hearted and the lover of your soul, longing to show you My gratitude for your perseverance, mistakes and all.

"So, keep this vision in your heart and mind, Clare. I am waiting for you to break free from all earthly entanglements and come to Me. Come to Me with joy and expectation that I will embrace and approve you.

"Then if there is a little matter to discuss, we will discuss it and move on. But please do not look over your shoulder fearfully. Rather, look longingly - telling the lover of your soul, 'I'm coming Lord, I'm coming! I'll break away from this soon.' And send Me a kiss of promise that soon we will be enjoying sweet fellowship together."

Questions From Heartdwellers, Part 1 of 2

February 14, 2017

The Lord bless you, precious Heartdwellers.

Well, I feel I owe you a bit of an explanation, so you'll understand why we've had some delays in getting messages out. First of all, the Lord has changed gears and has moved me into music. And I know you're not seeing the fruit of that yet, but just like I worked on the portrait day and night, I'm working on the music day and night as well. And we're making progress.

And I'm hoping that, on the way through this journey, you'll get a glimpse of the way that He encourages me and upholds me. And even though your particular discipline may not be music, at least it will give you an idea of how He comforts us and strengthens us. And you won't have Fear to approach Him. You'll know that whenever He guides us, He provides the grace that we need to be able to do it.

And I'm sure that one of the reasons why He hasn't given me something else to do - like photography - is my Pride. Because that would be a snap for me, it would be so easy. And besides, then I'd get my 'professional head' on, and I'm absolutely obnoxious to deal with! I even reeked to myself, you know? That Pride thing... And that Directive thing.

So, that's probably why He had me hang up my cameras. But I guess my real vocation has been as a musician. And He saved it until, what...here I am in my 70's? He's starting out NOW? More seriously than we did at 58, which is when He first Brought the gift to mind.

So. I'm having some mountains to climb. Fear is one - fear of failure. And I just can't afford to fail. I just can't afford to give up, because I've committed to the Lord and committed to you - and we have to do this. I have to do this.

So, there's a bit of urgency behind it. But I want you to know that I'm sorry the messages aren't quite as frequent, because I'm working so hard on the music.

Okay. Well, that said - I've been getting letters with questions and I want to share them with you.

A gentleman by the name of Larry has written to me, and asked me 4 questions. And I'm not going to go into the meat of the questions, but I'll just touch on them lightly.

He says here:

"In the letter entitled The Rapture: What Will You Experience. I would like to ask you if the contents of it is in reference to YOU, being Clare, your Bride. Or does the 'you' also apply to the Heartdwellers."

Yes. What You Experience in the Rapture absolutely has to do with all Heartdwellers. It has to do with everyone who's going to be raptured.

Okay.

"If this is so, would their training for their return to Earth be like the training you've received during the missing years?" (here, he's speaking to Jesus.)

No. This won't be training on Earth. This will be training in Heaven. The Lord has already explained that to me very carefully. We'll be learning and learning and learning. And you know, when you're in Heaven, you already know everything. But there's still a learning 'curve' somehow. And I think it's probably what we're going to need to be able to teach others. And how to handle them tenderly and not bruise any. But I'm sure the Lord is going to make all that clear when He takes us to Heaven with Him.

"From reading what would take place upon the return to Earth, it would seem that they would be returning to a world that has NOT experienced the chaos of the Great Tribulation, in which physical survival is the only game in town, so to speak. For in order to bring all men to the knowledge of God, they would need to be in a state of consciousness that would enable them to receive this knowledge. I would think that this would be impossible if their consciousness is totally focused upon the survival on the physical plane alone. And the chaos and the other aspects that the Great Tribulation would bring."

Well, first of all, there are no atheists in the foxhole. And there are going to be a LOT of foxholes. And people are going to be reaching outside of themselves for answers. Anyone that has an answer. Anyone that's stable. Anyone who has open arms and is caring - that's NOT involved with the New World Order. Those people are going to reach out for Christ and are going to receive Him. And they're going to be taught. So, when they come back to Earth, the world is going to be hungry for the Light, because of the great darkness - the great travail that the Earth has been going through. People are going to be hungry for Peace and they're going to be hungry for the Light.

And when the Lord comes to reign, He's going to institute His government all over the world. And justice will finally be done. Fruit trees will blossom and bear fruit and children will get the training they need. Adults will be taught the things they need. Justice will be everywhere. Justice and Peace will meet and kiss when the Lord comes to reign on this Earth, and people will be ready for that. Absolutely. NO Atheists in the foxholes!

Okay. One more question here:

"Has the election of Donald Trump affected the end times timeline?"

Absolutely. It has absolutely affected it. And the Lord told us that back in June, when He postponed the events that are going to lead up to the Rapture. He told us, if we intercede and prayed and offered sacrifices like never before, that we would have another chance. And we'll have another 3 years. And after that, we don't know what's going to happen. So, yes. The election of Donald Trump - absolutely was God forestalling the worst part of the Tribulation to start.

He's asking, he's saying,

"I can't see how President Trump would allow the Mark of the Beast to take place under his watch." Absolutely not! He's all against ALL of that. All of it. "As well as the prophecy about Miami being nuked by Russia. (?) the Spirit of God has conveyed that He will use Russia and the United States to take on ISIS as a way to mend the ties between Russia and the United States. That's through Mark Taylor."

I'm not familiar with Mr. Taylor, but I certainly agree with that. In fact, I already see that Putin and Trump are in cahoots, so to speak, in a good way. They both want peace. And they both don't want the New World Order. At least that's what's being projected on the surface. And their actions are very much consistent with that. So they have a mutual desire for peace. And the New World Order's the one who's behind the bombing of America. The destruction of America - that was given to me many years ago. But it's coming out of Brussels. I saw the Statue of Liberty in Brussels. I saw missiles being shot out of Brussels. So, that's symbolic for the New World Order is going to be the source of that chaos.

"In closing, I do not fully understand why a sign for the Rapture has to be one of calamity."

Well, because of Matthew 25. Because of what is written in Matthew 24 and Matthew 25 about the end times and how the Rapture will happen after a time of unprecedented suffering. And I believe it will be nuclear world war. And that when that war is over, that will be the time of the removal of the Church. Because as the world is rebuilding, the New World Order is going to reorganize everything according to their agenda. So, I'm saying that this needs to happen first, because it's written in Matthew 24.

And also, this is the word that the Lord has given me about it. That this will happen. And after that, there will be the Rapture.

Okay. So, I hope that answers your questions, Larry. And let's see what we have here.

"Dear Clare. I struggled with the word that in Heaven there is an outer part where souls that were saved, yet had no fruit were cast out to. Where in the Bible is this? And can souls eventually abide with the rest of God's people in Heaven?"

Well, Heaven is one, giant... gargantuan place! It's just immense. With many, many different realities and planes. And God the Father - being at the very center and the very Light of all them. And in the Scripture it's written: Some will be saved (not all of them, but some will be saved) as if going through a fire. And they'll be stripped of things. And the Lord talks quite a bit about the rewards of the servants that were faithful and the chastisement of the servants that weren't faithful.

Heaven is a place of complete happiness and joy, but it's also a place of order. Well, here I'd like to refer you to Jesse DuPlantis, who was actually physically taken to Heaven, just before he was to preach. He walked into the church, a complete hush fell on the church because he was glowing - and he was actually, bodily taken to Heaven. And he encountered people in Heaven who were living in the Outer Darkness. And the Outer Darkness was not as bad as it sounds - it was just further away from the Throne. And they had to go through that place of the Outer Darkness, they had to come through it. And the implication was that they were healed from the fruit and the leaves of the trees, the River of Life. And that it was a gradual process of being healed and brought into full communion with the rest of Heaven.

So, that's partly where I got this understand, was from Jesse DuPlantis. And the other part of it is that I'm fully aware, from my time in Heaven, that there are concentric circles. And that the Brides will be the first circle around the Throne of the Father. And from that point on, according to rank - even as the Lord said, some who have been given 5 talents will bring forth 10, some who have been given 2 will bring forth 4. The reward is commensurate. Even the Lord says, "I will reward each according to your works. According to what you've done."

Salvation doesn't come by works, but the awards come by works. And according to how you used every gift that was given to you on Earth, that's how the rewards will be passed out. And part of the reward is being closer to the Throne. That's the best I can tell you right now.

"And behold, I come quickly. And My reward is with Me, to give every man according as his work shall be." That's Revelation 22:12 KJV

And another version, "I am coming quickly and My reward is with Me. Render to every man according to what he has done."

So, it would make sense to me that those who have done nothing would be further away from the Throne of God than those.. their entire lives, given their entire lives over to serving the Lord. That just...it's just sensible to me. That would be the inference, coming from Revelation 12.

Questions From Heartdwellers Part 2 of 2

February 15, 2017

Okay, let's go on to the next question here. Oh, this is beautiful. Well.

"Dear Clare and Ezekiel,
I feel so blessed to have found you on Youtube. (I'm blessed, too!) I have not gone to church since I was about 12 years old and I've 57 now. I'm also ashamed to say that I have never read the Bible. Now my heart is broken that I have lost all of these years with God.

"But thanks to all the Heartdwellers messages from the Lord, I feel like I've been learning so much. I've seen so much in my life and I didn't know that some of the things that I did were sins. It's so amazing that God could really love someone like me."

Boy - join the club!

"Let alone forgive my sins."

And the note to that is, we have to forgive ourselves as well.

"In some of the messages that you gave us, I realized, that's when the Lord was trying to get my attention. Why didn't I listen? I wasted so much time and want to have a chance to be in His arms one day - like you. I'm so happy for you, Clare and Ezekiel. I pray for you always. Have a blessed day.

Love,
Linda"

Well, Sweetheart, the Lord is overjoyed that you're with Him now. And there's absolutely nothing stopping you from being in His arms. He is there for you, Sweetheart. He longs for your company. It's just a matter of tuning your receiver! Being still and quiet and reaching out to Him. He loves you profoundly and now that you've come back to Him, He's so excited for you to be with Him!

So, don't worry about your past - that's under the Blood and that's gone. You might want to listen to one of our videos: Meditations on Forgiveness and Meditations on Letting Go. And let the past go. Let it just go, go, go. And reach out to the Lord, because in the present time, He's waiting for you. He loves you. He wants to spend time with you. He wants you to know that nothing is stopping you. Nothing.

God bless you, Sweetheart.

Here's a letter from, I believe, Terry in Altoona, PA.

"Dear Sister Clare and Ezekiel,

"I felt led to send you some support and encouragement."

Thank you very much for that - that's a tremendous blessing for us!

"I must admit I'm not feeling very encouraged right now. I have much to be thankful for. It's thrilling that the Father, in answer to pray, has hit the 'snooze button' on the judgment of America. And I'm also taking this to mean that many more are coming to our King and Savior.

"But to be honest, though I should be on cloud 9 I'm depressed. Because that also means another delay in being with Him, our Redeemer. Our Bridegroom and Husband.

"So, my question is: Where are we at this time now? You released a number of messages, roughly 18 months ago, of Jesus getting dressed for the Wedding. Or His discussion of the Honeymoon plans. Will those still happen?

"I'm sorry for these conflicting emotions and desires. Any clarification our King can give us would be appreciated.

"Most gratefully,
Terry"

Well, dear one, bottom line is that nothing has changed as far as the Wedding plans go. As far as the Honeymoons go. All of that - ALL of that is going to take place. It's a matter of timing. And right now, we believe that we have probably another 2 years before there's a re-assessment of the condition of planet Earth and the hearts of men on planet Earth before the Judgment comes. To the Earth and to America. At least, that's the impression that I'm getting from the Lord. We're another 2 years away.

And I want to encourage you, Sweetheart - if you are feeling this depressed, missing something - there's a mission for you. There's something that you alone can do, because God has equipped you and formed you beautifully and wonderfully to do this very one thing in your life.

And when you latch on to that one mission that you have, you're going to be so excited! So joyful and so expansive for reaching souls for Him.

So, I would encourage you to seek the Lord. Seek Him day and night until He showers down the clarification that you need of what your role is in the next 2 years. What is He calling YOU to do? How is He equipping you with grace? What is He asking of you, Terry? That's what I would look for. And when

you find that thing, you're not going to be bored. You're not going to be depressed. You're going to be excited and on fire.

So, please take that into consideration. Seek Him until you find Him. Get an answer about what you're supposed to be doing. And let your focus be bringing in as many souls to the Kingdom as you can in the next 2 years, in the way that Jesus has called you to do it.

Okay. I have a letter here from Raphael.

"May the peace of the Most High, our Lord Jesus Christ be with you and your family.

"I have a question regarding your video posted on Youtube, titled You Have Won a Victory, Now Move Forward With Your Gifts. You were given the task of doing a painting with our Lord and you have completed that. Great news!

"I'm a Roman Catholic - or shall I say I was born into this religion. Our Church, as you are aware, has statues and paintings of our Lord, His mother, the Saints and Holy men. Depicting scenes from the Bible. What I do not understand? The Bible teaches us NOT to have any images on the land, or above in the heavens, depicting the likeness of our Lord."

Well, I haven't found that in the Bible. I have found that we're not to have any images of idols. But I've had absolutely no guidance on not having images of the Lord! And His image is appearing miraculously in many places, including the Shroud of Turin, during the Resurrection. I would encourage you to check that out.

And - my dear friends and audience - if you guys know some Scripture that this person's referring to, maybe you can enlighten me. All I know is that the Lord said "You shall have no other gods before me. You shall make no idols. No images into idols."

Now, I want to clarify something about this. This is very misunderstood. When these commandments were given during the Exodus to Moses, there was a lot of idolatry going on. There were a lot of household gods and all kinds of things. After the Babylonian captivity, they picked up a lot on the idols and the idolatry. And what the Lord has said, is not to have any idols.

Now, He's referring to these images and pictures and statues and things of other gods, worshipping other gods. He's not referring to, for instance, the Temple. When Solomon's temple built the bulls that hold the gigantic brass pot. The angels over the Mercy Seat. There are many, many images that were used in Solomon's temple of things on Heaven and in Earth that adorn the Temple. And yet, this injunction not to have any idols, any images of idols, came WAY before the building of Solomon's temple.

So, how do you explain that? Very simply, the Lord was speaking of idols - not to worship idols, and not to have images of idols. He was not speaking of decorations or remembrances of Heaven, or He never would have put the angels over the Mercy Seat. So, obviously, there needs to be a little more understanding about the true meaning of those Scriptures.

And I think one of the things that some Fundamentalists talk about is that "Well, you have a picture of the Lord, and you're worshipping the picture."

No, you're not! I have a picture of my daughter in my wallet. I don't worship it! It reminds me of how sweet and wonderful she is. You know, you can go too far with a rule and you can be legalistic, misinterpret it. And so you don't have any pictures on the wall in your house. I'm sorry, I don't agree with that. I believe that God created great beauty in the Earth that we are to enjoy. And art is one of those forms of beauty. And the creation of images to Him, I think, is a Light to His soul. Because it draws people not to the painting or the image - but to HIM. The painting reminds them of some aspect of His beauty and His glory. And His love and His mercy and compassion.

The Cross, for instance. "If I be lifted up, I will draw all men to Me." How many crucifixes are there? And when we behold the crucifix, we feel compassion for what the Lord suffered in the Passion. We don't worship the crucifix; we worship God. And God alone. Help us to remember what He sacrificed for us in suffering for us.

So, I hope that helps you and gives you a little bit of insight into that.

And in closing, I just want to say thank you so much for your letters. I really enjoy reading them and I enjoy answering them as well. We'll be doing more of this in the future.

I want to remind you that if you're looking for anything in the teachings, please - go to Heartdwellers.org and click on "Search". You can find every place that a certain word appears in. And you'll find the teaching that you're looking for in there.

Lord bless you, Heartdwellers. You are a complete joy to us and we love you!

Adornments for the King's Bride

February 15, 2017

May the Lord bless the "light of Christ that shines within us to shine before men, that they may see our good works, and glorify our Father Who is in Heaven", beloved Heartdwellers. Matthew 5:16

Well, my precious friends, the Lord has had us on a very narrow walk, continually adjusting our path, making small changes that will help us to be living more for Him and less for ourselves. I confess, this is much needed in my own life. I don't want to get to the end of my journey and see that I could have done so much more with the gift He entrusted to me.

These days I hardly ever leave the house, because I cannot be here for you and music if I'm out and about. So, I make do with what volunteers can bring us to meet our needs and try to keep on working. I just got this Rhema that clarifies that, too: "Be like the mother fox who only leaves her den and goes abroad in matters of pressing necessity." I love that.

Spring is coming and for with all who share in my OCD behavior - let us plant our feet solidly at the work and responsibilities He has entrusted to us. The Lord has brought home to me the shortness of time left to us. Already a good nine months have transpired since He told us we had three years. I ask myself, what have I done in that time? How much more can I do while it is still day time? For when the night comes, work will be impossible. This has been on His heart as well. And an examination of our lives to make us more fruitful.

He began, *"My Brides, I need an honest investment in time from you. I need an honest appraisal of how you are spending your time. How much of it goes to personal needs and how much is truly given to Me for My agenda as your King.*

"Much time which you see yourselves serving me is serving self and family. I want you to look very carefully upon the way you spend your time. Clare has been held to a strict standard to work for Me and not herself. If all of you want to receive the rewards due My Brides and faithful servants you, too, must be accountable.

"I am doing this across the Body right now. I am calling attention to each soul who desires with all their hearts to be pleasing to Me, not to waste time on themselves. I long to adorn your good deeds with precious gems that will sparkle and draw all men to Me. It is good that you have your wedding garments ready, and each day I am adding exquisite details to it as you deny yourself more and more and serve Me wholeheartedly."

Lord, may I share something here?

"Go ahead."

A few days ago I saw one of my plants languishing and I started to take care of it. This was before prayer in the morning. I realized, right then and there, that this was wasted time. I need to get into prayer and get ready for the message. I could have someone else - a volunteer - take care of it. I realized, this is self-serving. I am wasting the Lord's precious time. And I've caught myself doing it other times as well. And the one thing we can never get back, Heartdwellers, is Time.

I have also been around people who talk a great deal and tend to 'hang out.' This, too, has been called to my attention - that again I am not using my time for God but indulging others when it is not to the benefit of His kingdom.

I'm not saying to deny your wife, your husband and your children innocent time together. However, the Lord has been working with my husband as well - not to waste time on self but get busy writing and singing songs. And it's pitiful sometimes, when he's sick and he still gets up to do it. It's quite amazing, really.

I have even cut way back on what I give volunteers to do, because it could be seen as self-serving. And after a close examination of my time, I see SO much room for improvement! With spring on the horizon and all the ways we are drawn into the world during the spring - cleaning, etc. It seems that the Lord is really calling me to accountability on my time, which in reality isn't mine - it's His.

Jesus continued. *"My dear and precious ones, it is very difficult at times to recognize self-serving from serving Me and My needs, which come up in your lives every day. But I rest in your hearts and make*

Myself felt when you begin to stray. Please, do not ignore the promptings of your conscience when you set to work on something that will take you away from Me. Please do not ignore your conscience when you see the poor or feel the prompting to support a ministry. I am calling you all to accountability both in time and resources. Not in a harsh way. But exhorting you. Time is short. You have very little time left to do all you can for the Kingdom of God.

"This is a very great time of opportunity for you all. And this Channel, as well as others who have been faithful to Me, are coming into a time of blossoming and expansion in ways they never expected.

"So, what I am saying is that I have given you resources and time; use them for My kingdom, not selfishly. Focus on the interior man and My agenda of saving souls and move forward with the responsibilities I have placed on your hearts.

"This is a time of sowing as you have never sown before. This is a time that will lead to great harvest as you have never experienced before. Do not waste this time on personal interests, but sow into My kingdom and My agendas and you will reap the rewards in due season.

"As you live your life, day to day, your wedding garment is being adorned with precious stones and pearls, because you are bringing forth fruit for the Kingdom. Your beauty is growing to become breathless, because you have denied yourselves what the world fancies and given instead to the poor, investing in your own ministries and the ministries of others. If you persevere in this, stunning will be your beauty before the heavenly court, and your intimate times with Me will rise to a new stature as you give yourself to Me and My work.

"Your prayers for your country have also adorned your wedding garments and are opening the doors to a new day of opportunity. The battle does indeed rage, but My ravishing Bride goes forth by My Spirit conquering and holding the hard-won ground that will cause a rebirthing of this nation before the Tribulation begins.

"Therefore I speak faithfulness to you, Beloved. Faithfulness. Faithfulness and again, faithfulness. Do not be lured by the riches and rewards of this Earth for it is swiftly passing. Rather, bend your wills that you will serve Me and Me alone. Not to the exclusion of your wife and children, and your family, because I have given you your family to you to serve. But not in frivolities; rather in holiness of life and dedication to Me. And if your spouse is not a believer, fear not. Your love, devotion and faithfulness to Me releases Me to cover for you and the ones who obstinately deny Me.

"The tide will turn. There will come the time when anyone bearing the name Christian will be pulled aside to explain the faith more and more - and to repair the ruined homesteads, rebuild the bridges and pave the way for My coming. But none of this will happen if you have selfishly turned your time and resources to the world's agendas. This requires absolute dedication to Me.

"You are ravishingly beautiful to Me! I cannot take My eyes off of you for even a second."

"Go forth and establish the weak and hurting in the faith, give of your time and resources to build up the way of the Lord. 'Behold, I come quickly; and my reward is with Me, to repay each man according to his work.' Revelation 22:12

Interesting, at the end of this message I was looking up a word and I got the Rhema, "Aim only at this, pray for this, desire this, that you may be divested of all self-seeking; and thus naked, follow the naked Christ; that you may die to yourself and live eternally to Me."

The Lord bless you, Heartdwellers. Let us really press in to this time the Lord is calling us to.

And I just want to take a moment to thank all of you who've supported our ministry so faithfully. What a blessing you are! And we've been able at times to bless the community, the really poor families with firewood or electricity. Thank you so much for your faithfulness. And may the Lord reward you richly. We pray for you constantly.

Gently Admonish Those Who Are Ignorant & Keep Your Bridal Garment Clean

February 17, 2017

May the peace and faith in God's victory keep us through all the storms in our nation, dear Heartdwellers.

Well, tonight I had a discussion with Carol and she filled me in on what is happening with our nation. During prayer time, I asked the Lord if He had a message.

Jesus began: *"You have been appraised of how the enemy is trying to foil My plans for this country. Wonderful things are in store for her. But only because each and every one of you sacrificed willingly, time to pray, fastings and suffering offered to the Father. Because of this, the ball keeps rolling away from dependence on the shadow government.*

"Many attempts, many, many attempts have been made to start wars, to open the evil forces of the air to descend on the Earth, but My hand is raised and no such invasion will be allowed at this time.

"This administration is gaining momentum. People who were in a deep state of sleep about the political intentions of the ones they elected, are beginning to see the light. Literally, as it is written, "For nothing is hidden that will not be revealed, and nothing concealed that will not be made known and brought to light." Luke 8:17.

"As disclosure becomes more complete, those who have been in power in the media are going to lose their standing with the public. They have been cheated and lied to about the truth, because they are owned by the shadow government. But people are waking up and looking at whose crimes have been dismissed...as Ben Ghazi. Atrocious crimes committed on many different levels are coming to light and the ignorant public is beginning to see the clay feet of their political idols disintegrating before their very eyes.

"Each one of these sins and iniquities has been worthy of life imprisonment. Each time the tide comes in it brings new evidence. The press runs out and quickly covers it with sand, then the tide again comes in and again it is covered. But the whole beach eroding and there will come a time when there is no more sand to bury these crimes against humanity by popular personalities in high-ranking government positions. No more sand. Yet the tide will continue to come in bringing with it a new mass of slime and

corruption, because My people are praying for an end to unrighteousness and that the truth be exposed, even as I have spoken through the Scriptures and this channel."

And here I'd like to take a moment. A couple of people have asked me why I never use Scripture. I use Scripture quite a bit, but it's not always recognized in the message and it's very jarring to me to put in the reference to where it's found; the address. A lot of people, though, that are new to the channel, or new to Christianity might not recognize it. So, I try to do that when I can. So, in this case, the Scripture says: First of all, then, I urge that petitions, prayers, intercessions, thanksgiving be offered on behalf of all men. For kings, all those in authority, so that we may lead tranquil and quiet lives in all godliness and dignity. This is good and pleasing in the sight of God our Savior. 1 Tim. 2:2

The Lord wants us to lead a tranquil, quiet life. And our government right now is anything but godly and dignified. It's pretty disgusting, what's coming to the surface. So, He touches on that here.

"Not one of the accusations made that are grounded in truth shall go unpunished, because at a certain point the outcry will be so loud that there is no more escaping justice. I, Myself, am bringing up this filth, because this nation has been blind. Your prayers and those of thousands of others, some not even of this nation, are day and night being brought before the throne of My Father - and there will be no more provision for deceit. Truth will triumph.

"My dear ones, you have done very well to pray. But also, you must gently discuss these matters with people and not gloss them over. Do not bring up religion and muddy the waters, at this time while discussing your government. Rather, bring up verifiable facts from reputable sources. Do not use strong language or cause division or offense, rather be meek, humble and full of truth. Simply offering the accurate information and saying, 'These are the verifiable facts. It is your decision what you believe, but please consider getting the facts from a source unrelated to the syndicated national media.'

"My Brides, I must caution you to use reserve in judging and name-calling. Be careful not to implicate those who you do not know are documented as being corrupt and do not cast slurs nor call names of those involved in these atrocities. Rather, condemn the sinful acts. People who are caught up in personality cults will quickly take exception to you slandering their idols and I do not wish for any of you to be involved of judgment. Only I know the motives of each one. Only I know the secrets of their hearts and why they do what they do.

"Nonetheless, the crimes that are blatantly treasonous and crimes against humanity should be brought to light in the least offensive way possible.

"Let them draw the conclusion. Don't say 'this one is evil, that one reprobate.' Just give the facts, let them draw the conclusion. Let Me work conviction into their hearts. I am awakening the American people from a long and deadly slumber. This is delicate work and calls for strict objectivity and even charity in defending the truth and bringing it to light.

"There is another reason for this. Brides, keep your dress clean, without spot, wrinkle, or blemish. Do not lapse into judgment and name-calling. Do not draw conclusions that could lead to false accusation. Simply state the facts and under whose watch it happened. Be as charitable as you can. For instance, 'She's a good mother, has served and done lots of good in this nation that we know about, and I'm sure that there is more merit that we don't know about her deeds. But I don't understand how this happened under her watch.' That is charity.

"You know I do not want you watching the news and digging into stories, but when it comes to defending the truth, you mustn't discredit yourself by false accusations.

"Enough said.

"Anytime you deal with the world there is the potential of becoming slimed. That is why I have called you to be prayer warriors and brides. A bride wars behind the scenes and speaks only when absolutely necessary, and when silence would be a sin. (That's also in the Scriptures - don't have the address.) The rest of the time she is beside her Beloved, comforting Him. I deal with enough of the world to want to escape it when I come to rest in your gardens, My beautiful ones.

"Remember, I am doing the doing, you are backing Me up with prayer. Keep your commitment to the truth clean and unsullied by slander and harsh words. Then, when you and I are alone together, you will not have to spend all our time repenting.

"Speaking of which, I am pleased with you for taking My words to heart and pressing into your callings and the support of those ministries I bring to mind. I am pleased that some of you have forgotten your obligations and turned around and met them. Remember, I will always provide when you are faithful with what I give you - shaken down and running over provision."

And just as an aside here the Lord was including me. I had missed helping out a small ministry and a widow with an electric bill she could not meet, because we were barely meeting our obligations. But today I finally was able to help. I had been getting, in the Bible Promises, "Honesty" and the Scriptures about a false measure, and "promising but not keeping your word." I was crestfallen. I thought, 'Lord how have I done this - please reveal it to me.' And He did. It may mean going out on a limb but I am being called to obedience. And He cannot bless a vessel that does not obey and bless others.

So, thank You Lord for getting my attention and correcting Me.

"My Dear One," Jesus began. "Keep an eye on your heart and do not be fooled or led astray or distracted. Be faithful, Clare, always be faithful and I will be able to use you in many wonderful ways. You are forgiven for this oversight. Just remember, I will always back you up when you are faithful, even when it seems you do not have enough to help others. I will honor your sacrifices for the poor.

"And for the rest of you, My dear Brides. Thank you for your faithfulness to this ministry. And to those around you. Untold times, when you've made sacrifices and gone out of your way to help them - you can never out-give Me."

And that was the end of the message.

Thank you for being faithful and helping to support us. And anything that doesn't meet our needs, we give away to the poor. And I'll tell you - Taos county, New Mexico has a LOT of very poor people. We don't have any savings account. We just have what we need for operating expenses and the rest the Lord wants us to give away. Thank you all for supporting us and for supporting the poor around us.

The Lord bless you, Heartdwellers.

I Did It My Way vs. Trusting God's Way

February 18, 2017

Well, I hope this incident spares you, precious friends...the pain I've gone through today. It really seems like a petty thing. I'll try to explain it. But it's been SO very hard. A lot of tears. And over such a little thing.

Here's the story.

In prayer several days ago, the Lord gave me a beautiful red heart necklace, the heart being about 2" or 3" wide. He placed it around my neck. And I got the impression He wanted me to have one similar to that, that would remind me of something He was doing in my spirit. Something new and full of hope and faith.

Well, I suppose women are more subject to this tendency than men - wedding rings and anniversary presents and what have you. But I always love to have a sign from Him, something to wear, to remind me of His promises. Or of something - even a rock with an image on it. The rocks do cry out, you know!

Not anything expensive...not fine jewels - although the faceted, gem-quality aquamarine my father bought for me before he left us was surely expensive. But just something very small. I see my wrists all the time when I'm playing music and for Valentine's Day He let me get a very small silver bracelet with tiny garnet hearts from India. I haven't received it yet. But when I do, I will put a \$2.00 medal of the shroud of Turin on it to remind me of what He suffered for us.

So, I went window shopping on Amazon and found a beautiful, red, Venetian Murano glass heart that was absolutely perfect. What I didn't understand was the size...it said 20mm and I thought that was large. Whoops...that's only 3/4 of an inch. I didn't find out until it arrived here how tiny it was and I was crestfallen. I was going to return it, but then I thought of someone that I loved that I wanted to give it to. So, I saved it.

And I found a lady on Unicef who makes larger hearts out of epoxy resin, and her work is beautiful. She had a much larger heart, closer to the size I wanted - but not the right color. So, I wrote to her and she was very receptive, willing to make one for me. By the way, we're talking about \$20 here. So, it was within my budget.

Well, I started to feel funny...like something wasn't right between Jesus and I. And I started getting Repentance from the Bible Promises. Not once but two and three times. A couple days in a row, actually.

Now, I was also helping people with their electric bills, food and rent. So, I was not ignoring the needs of others. But Jesus made it clear to me through my husband that I could not have her make one for me.

I was really upset, crestfallen and didn't understand. I had looked so hard and finally found someone and He was saying, "No." I felt baited, teased, and unworthy. Like, "Your heart is tiny, you should stick

with tiny." No doubt that was the enemy, but when I looked at the heart I said, "Lord, is my heart that tiny? But you gave me a bigger heart..."

Well, after several hours of struggling with His decision, and a lot of tears - I finally came to Him in prayer: I don't know what to say to you, Jesus, except that I am sorry for my sinful ways. And it is true, I do hurt, because I thought this was the right thing. You know my first response was to say "NO! This is too much. I don't want anything but You, Lord."

Then You seemed to be saying, *"Yes, I want you to have this token of Love."* Then I found the heart but it was SO tiny. What I saw was much bigger. So, I continued looking...you know all of this. I found that lady who could do it for next to nothing and you still said, "NO." By then I was "hooked" and really excited. So, it hurt. I don't understand. I really don't understand. Please help me. I'm so disappointed.

Jesus began, *"My Love and Lovely one, would I deny you something that would be good for you?"*

He was holding my hands as we sat in the garden. I answered Him, "No."

He replied, *"Do you trust Me?"*

Yes.

"Then let it go. Let it go, Clare." (lots of sniffles and tears)

O.K. (More tears, gushers.) Lord, I don't understand, it feels like You were teasing me.

He answered, *"This is more about self-will and abandoning yourself to My providence."*

O.K. I can understand that.

"Letting it go, letting it go, letting it go. (as Julie True sings) And as you let go, you give Me the freedom to work in your soul as I would like to. And very much of this is about trust and doing it My way, or rather abandoning yourself and letting Me do it My way."

I wish I had understood this before I started looking.

"You are stubborn, Clare. It is hard for Me to turn your head once you get going."

That reminds me of when I was a young girl going horseback riding. Some of these horses in the stables were real nags, boy. You tried to turn them and they just keep going straight. That was the vision I got when He said that.

I replied, "Yes, I know this, Lord. It is a fault, that can easily lead to sin."

He replied, *"That is why I have to push the brakes to the floor in your conscience or you don't listen. If you would take a clue earlier on, it wouldn't cost you so much. This cost you much today. And beloved, your very real enemy gets on your back and rides you like a race horse to his appointed finish line - not Mine."*

How do I avoid this?

"Refuse to get in the race."

But I had permission, even from my covering. And Your permission.

"There was a point where I wanted you to stop and you kept going. You are aware of that aren't you?"

I cannot make excuses before You, Lord. I was feeling like the panther got out of the cage, but I justified it that when I finally found the right one, it'll be over.

He answered, *"I knew that what you had settled on would disappoint you because it was too small, even before you ordered it. You didn't ask Me if that was the one, using the Bible Promises. And I let you move ahead anyway. When you got it, I didn't want you going out to find another one. I wanted you to lay down with it, and accept it."*

"But your perfectionistic streak was over-riding My still small voice in your heart. And now I am asking you to drop it, let it go. Will you do that, Clare? For Me? A little sacrifice. It doesn't change the gift I gave you in the spirit, not one bit. But it does do violence to your self-will and stubborn, perfectionistic character fault. I really would like to see that thing dead before you leave Earth."

Lord, Your grace is sufficient for me. It hurts, but I will do as you ask anyway. (I glanced over at His portrait and He was smiling at me for the first time in days.) Your Grace is sufficient.

"What is hurting you more than anything is that you didn't get your way. That's the monster I want to kill. Your way. Do you know that I can provide you with a gift like that straight from Heaven...without any earthly intervention? But your willingness to let it go is SO very, very pleasing to Me and a great exercise in humility. Just like with the Collie. You looked for the right dog and couldn't find it. When finally you got it, you said, 'Lord, I'm going to wait on You.' And I provided it with no effort on your part. And then you knew that it was truly Me that was providing it. It takes all the traps of pride and self-serving, selfishness, right out of your hands and character."

"AND THAT is pleasing to Me."

"So, allow Me, Clare. Lay it to rest and allow Me to do it My way. By the way, you are no different than a great sector of Earth's population. Frank Sinatra said it for them all, 'I did it my way.'"

"Come now, My Darling Bride, let us leave this sadness behind and be refreshed in My grace that nothing is impossible to those who believe. And it is always better to do it My way."

Prayer & Suffering for America - Sickness: When is Enough, Enough?

February 20, 2017

The Lord's Endurance be with you, Heartdwellers. Well, we are being stretched to our limit and reached a point where we just wanted to collapse; then all of a sudden things lifted. What I mean to say is that we didn't suffer graciously, and the Lord is addressing that.

Jesus began, *"I know these days have been almost to the limit of toleration, for very, very good reasons. I do wish you would trust Me more, Clare, knowing that nothing you both suffer is in vain. But I do understand your enquiring if you are being disciplined. May I say, there is almost always a little discipline involved, as it is written.*

Who can discern his errors? Acquit me of hidden faults. Also keep back Your servant from presumptuous sins; Let them not rule over me; Then I will be blameless, And I shall be acquitted of great transgression....Psalm 19:12-13

"It is good for you to ask that your unrecognized sins be revealed; I do not fault you for that. It is when you doubt My goodness and forget that this suffering is only temporary. When you give into fears of death and serious illness, believing that I will allow you to perish with the wicked and by the hand of the wicked. I only allow what I know you can take and rarely do I take you to a point where your faith begins to waver.

"But in this case, you are dealing with tremendous forces aligned against your president, trying to unseat him and stop the reforms he is bringing to your government. I need as much fasting and prayer as My Body can handle, to turn this tide of evil released from below. Yes, below - in more ways than one. Yes, in the underground cities and unleashed from Hell, the shadow government that was looking forward to their greatest victory this year.

"They have been unseated and are lashing out with vicious retaliation. Why is it they do not recognize they are not fighting a man or a nation of people? Will I deliver My righteous ones over to a corrupt government when they have turned from their evil ways, repented, and set to work to make things right in this nation?

"I will not! For it is written, For the scepter of wickedness shall not rest upon the land of the righteous, So that the righteous will not put forth their hands to do wrong. Psalm 125:3

"Because the hearts of My people have repented for the sins of this land, because they have cried out to Me for justice, because they continue to press in and cry for justice, because they have turned from their wicked ways and humbled themselves before Me (that's also in the Scriptures, by the way,) I will continue to make their enemies impotent. But there is a very big price to pay, My Loved Ones. A very big price. You are dealing with decades of social engineering by the elite shadow government, and as it has been said, Rome was not built in a day. Nor was it taken apart.

"There is much opposition in places of power, but I am slowly prying their hands off the floodgates, that righteousness and grace may flood the land and revive the parched lands of America. Yet there is a price. You are fighting against Satan's plan to rule the world. You are fighting against an ignorant generation of young people who have been selectively taught what is right is wrong and what is wrong is right.

"You are also dealing with artificial intelligence and those who have no souls. Many, many are those who have graduated into positions of power who are not right in their spirits or minds. Their consciousness has been altered and trained to respond to only one set of agendas.

"Now, I am telling you these things, which some of you already know, because I wish for none of you to be ignorant.

"What they - the clones of the enemy and satanic worshippers - have planned for this country has been carefully executed, layer upon layer. And reversing the order is far more complicated than electing a man who will do the right things. This is why these times are so very trying for you.

"Some of you have offered yourselves to Me without conditions. I asked you to count the cost before you made that commitment, because I knew it would be very tough. And for this reason, when things are working against you with the most force, I intervene.

"But others do not cry out for My intervention. They just quietly and humbly carry this crushing burden until I say, 'Enough!'

"When is enough, enough? When you begin to fall into despair and slip into the deep and dark thoughts; when they begin to influence your thinking.

"Some of you, in this moment, feel distant from Me. This IS a suffering. It is a deliberate one, so that you may offer yourself to Me, that truth will triumph. This is a most painful, as well as powerful, offering and I look upon you with great compassion in your worst moments. I am there with you, suffering as you suffer, for never shall I forsake you and never shall you suffer in isolation while I am not suffering. Rather, I unite myself to your suffering and we carry this burden together.

"Many of you don't see this, don't see Me by your side suffering, because I do not reveal it. This, too, is a suffering. And on every level you are making sacrifices, even as Paul did when he was stoned. Some of you will object that sickness is not a suffering but something to be cured. Well, it is both. And I advise you to listen to the early teachings on this channel."

(Here He's talking about Why Wasn't I Healed)

"Sickness is a cross. Just as man put the cross on My back, so does the enemy put the cross on you. And healing comes in My timing. Healing will come, but if you have made yourself a sacrificial offering, do not expect it to be released soon.

"There is great despair and confusion fueled by the enemy in My Body concerning sickness. Many have fallen into despair, because they do not understand that I see that as a legitimate suffering, a fast offering. And I use it to keep you humble, as well. Paul had a thorn in his flesh. He was not physically perfect as the Romans who worshipped physical fitness were, but he was Holy by My Standards. He carried the cross I allowed for him.

"Yes, 'By My stripes you are healed,' but in My timing, not yours. If I heal you immediately, it is My timing. If I delay your healing, you will still be healed, but in My timing. In the meantime, you are carrying a cross and doing a great work of mercy, backing up your prayers for others.

"This is the meaning of carrying your cross. What I allow is specifically fit for you and only you; it is indeed your cross. And I have called you to deny yourself, pick up your cross and follow in My footsteps, which in the case of My people, can be like a crucifixion or a long illness.

"Know that you are doing a good and perfect work by offering to Me what I allow for your prayer intentions. And if you do not know why I have allowed a suffering, check your conscience and then trust Me for whatever cause I have allowed it.

"You will find much peace and relief from condemnation by doing this. It is NOT always My will to heal a person when they ask; there are many considerations. What is being learned by their family members? How they are becoming more holy and selfless? How your patience is increasing and your character being conformed more and more to My image, as I yielded up My Body and Blood as a living sacrifice?

"Find comfort in this My people. Find peace in this. Know that your work is very valuable. You have raised your hands in acquiescence to the bars of the Cross and there is no greater work of love than to submit yourself to My will in that moment."

The Swamp Wars, PRAY & Inform With Brotherly Love

February 24, 2017

May the wisdom and perseverance of our Lord Jesus strengthen us in this hour.

Dear Heartdwellers - as I work with music, I am struggling with what to do when. Please forgive me for not being as consistent as I should with the messages. The Lord corrected me today. Pray for me that I can do both with ease. For truly the Lord's grace is there. I just get very confused about what to do next! Please forgive me for disappointing you.

Well, the last thing that came to mind and got derailed out of a message, because of my confusion and laziness, (for the Lord said I was lazy and He knows the truth, no matter how I might try to gloss it over) was Draining the Swamp.

I felt constrained to talk about draining the swamp. Our government has been corrupt on so many levels for so long and in that swamp are all kinds of filth, from disease-carrying mosquitoes to Leviathans. And now the water has been removed and wickedness which was hidden from view is now visible and fighting furiously to keep from being caged.

Lord, I would prefer You talk about this. What would You like to say?

Jesus began, *"It is shocking to the American people what has been going on right under their noses. In fact, it is so shocking that no one wants to believe it. And this is being exploited by the elite-controlled media. The more water drained from the swamp, the more vicious the retaliation. This is where My Christian people can have the victory. Defend the truth, expose lies, and stand in solidarity behind this man - President Trump.*

"Many rumors and false reports are being generated about him in order to destabilize the government, but My praying Christian people are nipping these lies in the bud with prayer. Prayer, prayer and again I say: prayer. Yes, you have all suffered greatly for this man and for what is right, and your prayers are keeping the attackers at bay. But he needs prayers for strength: morally, spiritually, physically and emotionally.

"The underground government is coming out from hiding and using many uninformed people with no interest in doing what is right for this nation."

Lord, how can this be stopped?

"I am working on the hearts of many. But being informed and informing those who have no understanding will turn the tide one by one. Exposing the truth is your greatest weapon next to prayer. There is a desperate battle going on in their attempt to overthrow the government. That is why so many of you are being called to the front lines in prayer and offerings and every kind of suffering under the sun. We are going to WIN this battle, but it is ferocious.

"In the meantime, I am calling upon you, Heartdwellers, to launch your gifts, as well as fight against injustice and corruption. Just as Nehemiah fought as he rebuilt the wall, so you, too, must keep your sword in one hand while you create and minister with the other".

Oh, Jesus, I feel so impotent in this battle.

"Not so, Clare. You have plenty to offer and your communions are powerful. Don't give up, Beloved. Both of you have done your part in intercession. You cannot see the impact of all who are praying, but you are an integral part of that, because you exhort others.

"Wake up America, wake up! Time to see the reality of your political system for what it has been and still is. Time to hold your representatives accountable for their allegiances and the way they are attacking those 'draining the swamp.'

"It is a nasty, dirty business, but My angels are fighting and working hard to turn the tide. Much wisdom and influence of the supernatural kind is being exerted against the enemy. When men love righteousness more than their own lives, this evil will be kept at bay and even perhaps overthrown. All is in your hands, My People - your prayers, your fasts and offerings. Your ability to inform the uninformed. The little that you do magnified thousands of times, is turning the tide. Keep up the good work."

You know, I had a thought here, guys... I had a thought of, you know how sometimes, airplanes will fly overhead and they'll drop a bunch of leaflets. And I just had a thought about...goodness. You know, these demonstrators don't know what they are fighting for! They had no idea what they're doing. And that they're cutting their noses off to spite their face!

A lot of them are the poor and those who need some form of income. And if they knew that they were cutting their noses off to spite their face, I don't think they'd take it. I think they'd look for a job instead. Maybe I'm naive, but I think that if we had little flyers, or little folders - I'm not talking about me, because the Lord isn't calling me to get involved in that. But, some of you who would feel the burden to do so, to have little folders that would explain what we're fighting against, that you could pass out to demonstrators - it might turn them around. It might get them to look in a different direction.

And also for your families. Just a simple letter explaining why the fight is so vicious right now. And what is being exposed. And what the government has been, that they haven't seen. Something to counter-act the lies about President Trump, but something more important - to expose the corruption of the government before him. And even now - the government now. And to expose the media.

If people knew and understood, really understood, the Truth - they would fight against it. So, what I'm suggesting here is, that if any of you feel so inclined, not to write some kind of an ugly paper. But something very informative and concise. With no condemnation in it - just the simple facts. That will turn people's heads more than anything else. You don't want to get involved in promotions. You don't want to provoke people to anger. But you can at least inform them.

The facts: did you know #1. Did you know #2. Did you know #3? Just giving them an idea of what they were fighting! Because many of them don't have a clue. More and more are getting informed, but there's still so many in families that are prejudiced against this man and what he's doing. And they don't even know why. They've just joined the bandwagon and gone with the popular front.

I don't know what method the Lord wants you each to use, but He's asking for us to inform those who don't know any better. Who don't understand the forces that are behind the opposition to Trump. But 'draining the swamp' is definitely a very good analogy for what he's doing right now. And these monsters that have been hiding in that murk HATE him for it. They're coming out in tremendously vicious retaliation to stop him, to discredit him. And to cause Civil War in our country. I think they'd like nothing better than that.

That doesn't have to happen - especially if we handle those who don't understand with kid gloves. Just bring them the facts.

So, the Lord continued here. He said, *"I know it has been hard on many of you; very, very hard. (Boy, I can attest to that...) But there has been no other way to garner the strength and force to release graces upon the people. It is a bloody and hard battle and many heroes of the faith have come to the forefront and taken severe losses. Yet their hearts are enlarged during their dwelling prayer with Me and they are doing valiantly.*

"So, please, do not be discouraged by the raging storm, the personal struggles and attacks in this hour. Rather, rise up to bear witness to the truth and gently, in charity and brotherly accord, reach out to the uninformed to reveal the true intentions and source of the opposition and what they stand to lose if they continue on in ignorance.

"I am with you in this battle. Let your prayers and offerings precede anything you do, and consider it your duty to inform the uninformed. Always in brotherly love and never in contentiousness or malice.

"I am with you, precious ones, and every one of your efforts brings Me great comfort that truly, you do care for the children of this world as I do."

Obama Beheaded - Pray and Fast for a Breakthrough!

February 25, 2017

May the Lord set our hearts on fire in prayer, that we overcome the wiles of Satan against this nation and against us in this hour, dear Heartdwellers.

Last night Ezekiel and I were called into a vigil and each of us had our own communion services and were especially prompted to offer them to the Father for more time, more grace and more mercy - especially with the Divine Mercy prayer. Ezekiel has been praying them back to back for the world, our president and the nation, for several days.

The Lord presented President Trump to me in the spirit as I was praying - and so I offered mine for him as well as for the whole world. Then I saw Obama, taken up in his thoughts, his head back and finger on his chin, with a haughty self-assured expression on his face. After I received communion, I saw a knight in steel armor in fighting position with his sword extended, and standing before him was Barack Obama. The knight lunged forward and struck him on the neck. Obama's head came off.

I was praying intensely that the nation would wake up. That those who have been fooled by the globalist pawns would come to their senses and see beyond the curtain of fronts, lies and manipulations that have destroyed our country. That they would wake up and wake up angry over having the wool pulled over their eyes by those they trusted.

But in this vision, Obama's head came flying off with no effort on the knight's part - just a simple lunge and stroke and it was over. My immediate impression from this vision was the Lord putting an end to what he's doing to raise opposition up in this country. Somehow, something's going to happen, I believe, that's going to curtail all this and put a stop to it. And it will involve him being exposed. This was just my impression.

As I waited on the Lord, I saw President Trump in the back of his limousine, in some kind of procession and he was speaking with one of his advisors. They were discussing something important.

And after I'd received this message, I decided to Google 'Obama beheaded'. And much to my surprise, it turned up ISIS and a threat that former President Obama would be beheaded. And I don't really understand that, because we all know he's a closet Muslim. I don't understand why they would behead him. Maybe for his ties to the New World Order? I don't know. But I thought it was very interesting.

Lord, have you anything to add? I asked.

He began, *"Obama's time for pulling the wool over this nation is coming to a close. He will be exposed for who and what he is and this country will walk over his bones into her destiny."*

Wow, that's a prophecy! And I want to make a comment here. That does not exclude Obama from becoming the one world leader, the antiChrist spoken of in Revelation and Daniel. In the past, the Lord has confirmed to me that he is the man chosen for that role. My only other thoughts on this are that, if the Lord tarries because we are obedient and faithful to him, another might take his place in that role. But nothing of this has been told to me by Jesus. So, until I hear differently, he is still chosen to be the anti-Christ.

Jesus continued. *"And as you were thinking, this thought is from Me."*

It's been going through my mind for a few days...

"If you want to ruin a nation, make it prosperous - that's when the real dangers set in. As long as this nation cleaves to Me, I will defend it. But should Christians become worldly and careless, that's when this nation will fall. The greatest opportunity for a fall is after a great victory.

"If this nation cleaves to Me, I will indeed protect it."

That reminds me of Israel. Even though, in Israel there's so much sin and the wrong things are being taught to the young people there, the Lord is STILL protecting it. There's a tremendous Jewish population in this country. In fact, it's been said by some that Christopher Columbus was Jewish. That he was looking for a place for the Jews to settle, where they would be safe.

The Lord continued, *"But I am calling you all to intensified prayer. Can't you feel it? Can't you sense that I need your vigils and intercessions? What I have presented you with is the good that CAN happen, if you all fast as you can and pray. Fast and pray in earnest, My People. Use the Divine Mercy Prayer pleading with the Father for more time, more grace, more mercy for the world.*

"The three years I have told you of is still CONDITIONAL. (by the way, we're almost one year into that.) It is still dependent upon your prayers and fasts. I am showing you what CAN happen, but it will NOT happen if you do not pray and fast for this season, until the greatest danger is over. Yes, there will be challenges for your president to face, but not as critical as what he is facing in this very hour. That is why I am calling My prayer warriors to fast and pray.

"Expect Me to move mightily and you WILL see the glory of God and His triumph over evil in this coming season.

"Shalom, My Beloved ones, Shalom. Yes, I am calling for your prayers to bring peace to the world in as much as it is possible in this very turbulent hour."

And it's reached my ears that there are several people, with their several groups, that are entering into a dedicated fast and prayer for the next 7 days or so. And I'm sure there's many more groups that we don't know about that are doing the same. So, the Lord is calling for serious prayer in this hour, dear ones. Let's not disappoint Him. Let's really put our hearts into it.

And thank you so much for taking care of us and seeing to it that we have what we need to continue this channel. Thank you so very much. May the Lord bless you and give you His peace. You are greatly loved.

Betrayal Surrounds Your President

February 26, 2017

May the compassion and love of Jesus come forth from our hearts as we pray for Donald Trump.

Jesus began, *"It is thought that those closest to you can do the most damage, but in reality it is the ones who carry the greatest responsibility that will be targeted by the enemy to bring you down. Donald has many fine staff members, but truly there is a traitor among them and this will be brought to the light. I grieve for him, Clare. This man is truly going*

through a crucifixion because of those around him that want to see him ruined. They say one thing with their mouths but have already planned how they will stab him in the back and bring him down.

"I will not allow it. He is not going down. America, pray for your president - he is suffering much in this hour. He has reached out the hand of fellowship to different people in high positions, but who can be trusted?"

"As it is written, Cursed is the man who relies on men but blessed is he who relies on Me. Jeremiah 17 and I entrusted Myself to no man, because I know how unreliable they were. John 2:24

At that time I got a Rhema: Do not be astonished at or complain about the remarks and mockeries of men, or their conduct towards you. You must not even judge it. What they do is not entirely intentional, but a defect and the oppression of the enemy, who labors to slow down and diminish God's works and take revenge on God's instruments.

So, here the Lord is saying that you know people are probably in the middle, that are being used by the enemy unwittingly. Not just the ones who are deliberately evil.

Jesus continued, *"Nevertheless, it is painful when you are forced to put those around you under suspicion. Government dealings are rife with treachery because so much is at stake. Still, I am with him and will not abandon him to his enemies.*

"Many say many things, many plot evil doings against the man and the nation - but I see all and miss nothing. I laugh those to scorn who think their doings are hidden from Me, for I know what a man is going to think before the thought even forms in his mind.

"Yet I have great compassion for this man, for he has entered a sphere which is populated with more snakes than he ever conceived of. Government work is NOT like the public sector. It is far more wicked and threatening, because it truly does influence a larger group of people in ways that can be a blessing or devastating.

"As he removes the devastation that Obama did, his enemies grind their teeth and make renewed efforts to bring him down. In this moment, it is truly a miracle that he is still alive. It is only by My grace. What is more puzzling to his opponents is WHY can't they get to him? Why don't the usual plots manage to

unseat him? Why does he continue to go on to expose more and more of the corruption? The answer is simple: My People - your prayers have moved the heart of your God.

"When I return there shall be a tribunal of justice that no man can circumvent. In the meantime, I must deal with a corrupted system that has no conscience and no compassion. A brutal system put in place by Satan through weak men with no moral fortitude. The congress and senate will go through another purging very, very soon as My people wake up to who they are electing and recognize those who truly do not have their best interests in mind. But this will require educating the people to go beyond superficial men, who are enhanced and supported by the globalist press.

"This is a season of waking up and taking stock of what needs to be done to set this country on the right course and destroy the pockets of corruption that have controlled everything, from what is taught in the schools to foreign policy. You, My people, must take stock and pay attention to your leaders who understand who is for Me and who is for Satan. You cannot afford to ignore what goes on in your congress and senate any more. I need you to go out of your way and do what is right for your country.

"But most important to Me are your prayers, and I am rewarding those of you who have been faithful in ways you never expected. Truly, I am blessing you in the spiritual realm and your reward in Heaven is great, as well. Continue on, My precious ones; continue on carrying this cross of prayer for the nation. You are having a marvelous impact."

As the Lord was speaking, I wondered if the traitor could even be the one entrusted with national security, that would certainly be an oxymoron.

Well, whoever the traitor is or are...since the Lord said he was surrounded by snakes, this man is suffering from betrayal and the bites of many snakes. And we need to pray that the Lord surround him with comfort and courage as the battles intensify, for surely this isn't over yet.

Lord, help us to be faithful to pray for this man and rejoice in the crosses you lay upon our shoulders for him. Amen
