### Arrival & Parking

The Ohio Expo Center is in the midst of an extensive series of construction projects, EXPO 2050, to enhance facility offerings, aesthetics and overall make for a greatly improved venue.

The construction will impact parking and create road closures, including 17th Avenue. This will create some delays.

Please be sure to leave time for potential delays on arrival.

Additionally, please note ADA parking is not located directly adjacent to the Kasich Building.

We apologize for the inconvenience this may create for athletes & attendees and appreciate your patience.

Please see the attached traffic pattern and parking map.

Parking is \$7.00 for one time entry or \$20.00 for a weekend pass.
