📍 Depart from Chicago

DAY 1- Welcome to Guatemala

Depart from Chicago and journey to Guatemala, a country otherwise known as the "Land of Trees" and once referred to as the 'closest thing to Eden on earth' by Lonely Planet. After claiming your luggage and clearing customs in Guatemala City, you will be met by your local guide and transferred to Antigua.

Antigua is a small city surrounded by volcanoes in southern Guatemala. It's renowned for its Spanish colonial buildings, many of them restored following a 1773 earthquake.

Check-in at the **Good Hotel** which we have chosen for its wonderful location and relaxed and friendly environment. It is also known for the unique and significant role it plays in giving back to the local community of Antigua. All net profits from the hotel go directly to funding three local schools that have been established to educate over 500 children in underserved communities in Guatemala.

Your private guide will take you on a walking tour of Antigua, a UNESCO world heritage site. Explore Antigua's beautiful streets and visit the famous and important places in Antigua, including churches, ruins, monuments, the local market, the central park and more. Important highlights of the walking tour include the famous **La Merced Church** and the **Arco de Santa Catalina** (pictured).

DAY 2 - Volcano Hike & Salsa

After breakfast, embark upon a glorious hike of the Pacaya Volcano. **Pacaya is an active volcano** that rises to an elevation of 2,552 meters and first erupted approximately 23,000 years ago. As you ascend the volcano, enjoy spectacular views of the valley down below and observe two other volcanoes, Agua, and Fuego (active) in the distance.

The hike is graded moderate and will be at a pace that accommodates the entire group (Nanda guests of all ages have completed the hike). If hiking is not for you, no problem, we will have horses available for you to ride!

We have a special treat lined up for lunch! Your guide will find the perfect spot for you to enjoy a pizza lunch. This is no ordinary pizza and will be **cooked fresh in the heat of the hot lava rocks**. Relax, take in the views and sip on a beer or wine and enjoy this unique, once-in-a-lifetime experience.

Enjoy some free time to continue your exploration of Antigua before enjoying a Salsa dancing lesson and a welcome dinner at the Welten Restaurant, a local favorite.

Overnight: Good Hotel (or similar)

DAY 3 – School Visit & Worry Doll Workshop

This morning the group will depart for one of **Niños de Guatemala’s** schools. The organization provides education to 525 children who otherwise would not have access. Learn about the power of education and how impactful it is to the local community.

Niños de Guatemala’s **Nuestro Futuro School** serves nearly 200 children living below the poverty line. You will tour the school and explore how the school is focused on not only traditional education but also recycling, organic growing, and health/nutrition.

Break time starts at 9:30, so the entire group will have a chance to support the mothers in the kitchen to **prepare snacks**, drinks and **hand deliver them to the kids**.

Next meet a mother of four children in one of the NDG schools and learn about the art of making a **Guatemalan worry doll**. This industry is now the main income generation source for 80% of mothers in the San Lorenzo el Cubo community. Make your own traditional worry doll as a souvenir.

DAY 4 –Chicken Bus, Chocolate & Coffee

No visit to Guatemala would be complete without riding on a Chicken Bus, the most common mode of public transport across the country. These former U.S. school buses are repaired, modified, and decorated elaborately by the local bus companies. You’ll visit a local workshop to learn how the buses are transformed and how important this industry is to the local community.

This afternoon you will journey to a local village, San Lorenzo, to visit a local woman owned business to learn all about the significance cacao in Guatemala.

You will meet Carmen, an independent business owner, who will guide you through the coffee process, from tree to cup. Carmen will take you to her family’s traditional Guatemalan coffee plantation. After touring the coffee fields, you will learn how to clean, toast, grind and prepare coffee at Carmen’s house. She will also show you how to make traditional Guatemalan chocolate, a popular drink with a rich history.

This afternoon, enjoy some local craft brews, a growing industry in Antigua! The brewery was started by a craft beer aficionado from Denver. The location is stunning, surrounded by a coffee plantation with volcano views!

Sample their delicious beers and return to Antigua to visit Antigua Brewing, taste their less traditional beers, and enjoy the Guatemalan sunset from the terrace.
