### **EB-5 Regional Center Program Receives Extension**

United States President Donald Trump signed a short-term spending bill Friday, Feb. 15, which continues to fund the U.S. government, and reauthorizes the EB-5 program.

The “Consolidated Appropriations Act 2019” will fund the federal government and extend the EB-5 Regional Center program through September 30, 2019.

As North American Asset Management Regional Center LLC learns more leading up to the next funding vote, we will keep you informed of progress made on a long-term reauthorization of the program.

### **About Tacoma Town Center —**

Tacoma Town Center is an EB-5 investment opportunity located in the city of Tacoma, Wash. The project is a multi-phase, mixed-use, multi-story, entertainment driven retail destination that is part of the city master plan to improve areas south of downtown. Phase one of the project consists of 240,000 square feet of specialty retail, entertainment space and unique restaurants, as well as residential townhomes and University of Washington Tacoma student-housing units.
