

SFGA Panama Golf & Sightseeing Adventure

Panama City, Panama

April 14 - 23, 2026

The SFGA invites you to join us on a Panama Golf & Sightseeing Adventure. Panama is the land bridge that joins North and South America, known throughout the world for its canal. The motto of the canal, “Pro Mundi Beneficio,” which in Latin means “For the Benefit of the World.” It has been said that Panama is the Crossroads of the world and with 14,000 boats passing through the canal each year it’s easy to understand why. Panama boasts a fascinating history involving many different cultures and its rich biodiversity fosters an abundance of wildlife. Our itinerary combines golf with several sightseeing opportunities showcasing the best of Panama. The trip is limited to the first 24 lucky SFGA members who register

Most tourists don’t go to Panama just to play golf and neither will we.
