JOIN THE MOVEMENT

WEW, Inc. House Party - A Party for a Cause" is a great way to support our Hope Project. By hosting a party, you can join our movement and help spread awareness about our cause. You can also support us by making in-kind or financial donations that will help us carry out our work. The event will provide household items to those in need giving them a fresh start. We appreciate your support!

Hope Project

The Hope Project is a program; designed to assist survivors of domestic violence and families transitioning from homelessness. Our goal is to help relieve some financial stress by providing hope through a beautiful; and functionally decorated living space. Our focus is to transform their new space into a place they can be proud to call home and to encourage families to maintain a standard of living in which they can thrive and grow.

Many families are regaining their self-sufficiency, and with our assistance of furniture and household essentials, this financial burden is lifted from families, allowing them to focus on the wellness and future of their families. We partner with other organizations to empower lives and restore hope.
