# DIRECTOR'S MESSAGE

Tempus fugit! Time flies (when you're having fun)! It is hard to believe ten years has passed by so quickly, but we sure have been having fun! Ten years ago, I took on the task to facilitate the after-school drama club at Murdock Elementary School. For our first full-length production, we chose *Alice in Wonderland*, which starred our very own Mr. Alex as the White Rabbit. This now marks our 36<sup>th</sup> production and I am so proud to have been a part of every moment!

In this our tenth season, we are happy to see our actors returning to our program as well as discovering new talent., watching our alumni go off to college, and witnessing some of our alumni continuing in the arts.

It is an awesome responsibility to be molding the minds of these precious little actors and not one that I take lightly. We ask them to stretch themselves by singing like no one is listening, dancing like no one is watching, and acting like your character is real! I believe that drama club helps little humans gain self-confidence, out-of-the-box thinking, and the ability to work cooperatively with others. These skills will help them throughout their lives.

I love to see the children, staff, and parents who have helped make us what we are today. From now on, wherever you go, whatever you do, you will always be a part of something special. I hope you take what you've learned here and use it to do great things while never letting go of your creativity. I am thankful every day that I can be your teacher. It is truly a gift.

My favorite thing about drama club is watching the bravery displayed by our little actors as they go out on stage and sing, dance, and act. Their favorite part might be dressing up, learning the exciting music, or kicking up their heels, but surely your favorite part will be watching the joy of our little actors as they bring you *Alice in Wonderland!*
