

Educational Booth Opportunity

Educational Booth Overview

The South Dakota Diabetes Coalition (SDDC) is excited to share this opportunity to support those living with diabetes or prediabetes and those who care for patients with diabetes. This conference provides a remarkable opportunity to engage with patients, families, caregivers, and other stakeholders to foster understanding and provide educational resources. The SDDC is partnering with the South Dakota Department of Health, Diabetes Program to host this event.

Empower South Dakota Conference August 8-9, 2025 | Sioux Falls Convention Center

The Empower Conference is for those living with diabetes, family members of those with diabetes, and those with prediabetes or looking to prevent or delay the onset of diabetes.

Purpose of the Conference

- Learn about diabetes care and management
- Connect with others affected by the disease
- Meet with vendors who support the treatment and management of the disease

Booth Costs (10x10 foot booth space)

- \$1,000 for for-profit organizations
- \$500 for non-profit organizations or government-affiliated organizations
- \$500 for each additional 10x10 foot booth space

Attendance Expected

- 400-600 South Dakotans affected by diabetes

With keynote presentations and breakout sessions on a variety of topics that apply to type 1, type 2 and prediabetes, participants can choose the topic that meets them where they are at in their journey with diabetes.

The hope is that this will become an annual event that can potentially change regional locations.
