HOUSTON BAR ASSOCIATION JUDICIAL EVALUATION RESULTS

The quality of the judiciary is of crucial importance to the legal profession and the community. The HBA conducts this Judicial Evaluation Questionnaire in odd-numbered years to obtain its members' opinions concerning each judge's performance. In election years, the HBA conducts a Judicial Candidate Qualification Poll and a Judicial Preference Poll to determine members' opinions regarding judicial candidates in the primary and general elections.

The Judicial Evaluation Questionnaire was conducted online this year for the first time, in response to requests from our members for a more convenient method of participating in our judicial polls.

This Judicial Evaluation Questionnaire is not an endorsement of any judge.

Sincerely,

A handwritten signature in black ink, which appears to read 'David A. Chaumette'. The signature is written in a cursive, flowing style.

DAVID A. CHAUMETTE
2013-2014 President
Houston Bar Association
