

# UNITYWORKS

## Summer Training Institute

Monday–Friday, June 25-29, 2018, Yakima, WA

The UnityWorks Program is a collaborative network of schools, colleges and community groups that are working to promote positive multicultural change. Involvement in the Program begins with an action-packed, weeklong training designed to prepare teams with the knowledge, tools, strategies and resources needed to improve school culture and student learning, and to design and carry out a successful Diversity Action Plan.

Training fee includes tuition, light breakfast, lunch, snacks, workbook, and all materials while at the Institute. See our [website](#) for current rates, with discounts for teams and administrators. Students may also attend with their teams.
