

## ABOUT

Mr. Samuel A. and  
Dr. Teela D. Crecelius

This dynamic couple is forward thinking and has plans to grow their fund while also making positive impact by how they work, how they volunteer and in the way they live their lives,

Both are graduates of Crawford County High School. Sam and Teela were blessed with a beautiful son, Everett in 2020.

A former Crawford County Lilly Endowment Community Scholar, Dr. Teela D. Crecelius, a very bright and accomplished young lady, works as a physician at Sidney and Lois Eskenazi Hospital in Indianapolis and as an Assistant Professor of Clinical Medicine through Indiana University School of Medicine.

Teela commented, "Starting a community fund has been a goal of ours for several years. The people of Crawford County have supported us through each chapter of our lives, and we have always wanted to give back to our home community and the organizations we value. We have already planned a couple of small gatherings to share our ideas with friends and family and are excited for them to get involved as well."

Samuel A. Crecelius, the ever consummate professional and man of many talents, is a partner and senior consultant for Diehl Consulting Group in Indianapolis and is a past chairman of the Board of Directors at the Community Foundation of Crawford County. As a leader who led the CFCC through a challenging time of transition and someone who assists other organizations in expanding their impact, he knows first-hand the benefits that a fund like this can have on the community. "We are very excited about the possibilities to give back to Crawford County through our donor advised fund. It gives us the flexibility to adapt to changing needs and provide ongoing support to organizations working on the front lines." In addition to his professional pursuits, Sam plays guitar and is a luthier with Center Stage Vintage Guitar.

Teela's parents are Chris and Rita Wyman and Sam's parents are Dan & Angela Crecelius, all of Crawford County. Both sets of the parents are as proud as they could be of this wonderful couple.

The fund they started is the Samuel A. and Dr. Teela D. Crecelius Community Fund.
