

DO YOU GIVE A CLUCK?

Chickens 4 Charity does! That's why we are once again organizing a golf outing to have some fun and raise some money for the Juvenile Diabetes Research Foundation (JDRF) and The Special Friends Foundation (RTS).

This is the Chickens 17th Annual golf outing. **Both JDRF and RTS have a personal connection to C4C and we can't thank you enough for helping to support these great organizations.**

JDRF is the leading global organization focused on type 1 diabetes (T1D) research. With the generous help from their supporters, JDRF is pursuing a diversified, dynamic research agenda aimed at moving us ever closer to a world without T1D.

The Special Friends Foundation (RTS) is a foundation to help fight a very rare genetic disorder called RTS or Rubinstein-Taybi Syndrome. The foundation also helps to support families with children affected by this disorder.
