Privacy Notice

Effective Date: June 29, 2017
This privacy notice discloses the privacy practices for **Premier Masonry Restoration** and our website www.Premier-Masonry.com This privacy notice applies solely to information collected by this website, except where stated otherwise.

Information Collection, Use, and Sharing

We are the sole owners of the information collected on this site. We only have access to/collect information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone.
We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request, e.g., to process a payment.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

Your Access to and Control Over Information

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or phone number provided on our website:

- See what data we have about you, if any.
- Change/correct any data we have about you.
- Have us delete any data we have about you
- Express any concern you have about our use of your data

Sharing

We partner with another party to provide specific services. When the user signs up for these services, we will share names, or other contact information that is necessary for the third party to provide these services. These parties are not allowed to use personally identifiable information except for the purpose of providing these services.

Security

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.
Wherever we collect sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure way.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (e.g. billing or customer service) are granted access to personally identifiable information. The computers/servers on which we store personally identifiable information are kept in a secure environment.
