

Hilton Head Plantation Yacht Club

April Meeting, Thursday, April 19, 6 PM, Plantation House
A Snacks and Speaker Meeting

Everyone claims to be #1 !

But we really have the most productive eco system on the East Coast surrounding our island; perhaps the most productive in Continental USA. Learn what natural geometry and topology gives us this advantage. Learn how the marine food chain develops here and impacts the environment up and down the coast. Learn how the waters around our island are even more interesting than the land.

Jody Haywood, director of the Port Royal Sound Maritime Center, and one of her naturalists will tell all at our April meeting.

The meeting begins at 6 p.m. with beverages and snacks -- NO DINNER. The program will begin at 6:30. The cost of the event is \$5 per person. RSVP to Kitty Ferrari at kitty.ferrari@hotmail.com by April 16 and get your checks to her at 56 Knollwood Drive. They can be mailed or dropped in a box at her front door. Remember mail takes about three days to arrive.

Reservations required by April. 16th

Reservations will be recorded when payment is received.

Mail or drop off check for \$5.00 pp (payable to HHPYC) to
Kitty Ferrari, 56 Knollwood Drive,
Hilton Head, SC, 29926.
