Policy & Rules for IN STUDIO Art Shows

dtd 6 Feb 2025

Members of the Laguna Woods Art Association are eligible to participate in the Association's Shows.

The rules concerning such exhibits are established and under the direction of the Association's Show Chairperson(s).

GENERAL INSTRUCTIONS: All artwork to be displayed must meet the following criteria: Maximum size, including frame is 40" x 40". All artwork must be wired properly with no wire visible above the frame.

1" – 3" creative edge canvas or wood panel is acceptable. No staples showing.

If unframed, the edges of the canvas/wood must be finished professionally, either painted to wrap around and match the artwork or painted with a solid color.

An identification slip must be taped on the back of the painting showing name, phone number, title, size, medium, and sales price. NFS can be used if the artwork is not for sale.

Notification of times and places of the exhibits and shows will be given in the Brushstroke, emails, and the Laguna Woods Globe newspaper. Pay attention to delivery and pickup dates and times, as they could change from exhibit to exhibit. Members are requested not to hang the same artwork in any clubhouse exhibit within a 2-year period. Usually shows allow 1- 2 artworks based on size for shows in Clubhouse 4. Paintings hung in other clubhouse exhibits or the Community Center are eligible to be shown in Clubhouse 4 Shows.

The Art Association assumes no responsibility for liability. If a member's entry is damaged or missing, report it at once to the Clubhouse Supervisor and Exhibition Chairperson.

No work can be removed or changed by anyone for any reason without first clearing such action with the Exhibits Chairperson or Coordinator for that Show.

A "COPY" of another Artist's work will be accepted only if credit is given to the artist who painted the original work.

Works submitted to the All Member Shows in Clubhouse 4 should not have been exhibited in those shows previously. A painting exhibited in another clubhouse is eligible to be submitted for a Show.

The Exhibit Chairperson and the Executive Board will constitute a committee to which a questionable painting will be referred for possible removal from a Show or Exhibit. For all other Art Association rules and/or changes please refer to the "ENTRY RULES" of the show you enter.
