

PARENT INFORMATION FOR WHEN YOUR CHILD IS NOT FEELING WELL

- **FEVER:** Your child needs to be fever free for 48 hours with no medication before they can return to lessons.
- **VOMIT and /or DIARRHEA** 48 hours resolved.
- **RASHES:** return only when diagnosed or completely healed
- **VACCINATIONS:** Please schedule your child for immunizations after their lesson time so that there is 12 hours before returning to lessons

Medical Lesson Updates (MLU) **WHY TO FILL OUT A MLU** (complete a MLU for ANY of the following reasons):

- Three consecutive lessons are missed due to a student's illness or injury.
- A student requires attention from a medical professional such as a doctor, nurse, emergency room or clinic. This does not include a "well Check" visit.
- A student begins a medication that was NOT previously listed on the registration form, (including over the counter medications except tylenol/advil).
- A change has occurred to any of the student's medical information found on the initial registration form (such as MD visits, medications, injuries, new diagnosis, etc.).

WHEN TO SUBMIT A MLU: An MLU should be completed when the child has met all ISR protocol criteria and is ready to return to lessons. A parent will not be able to complete a MLU unless their child has met the criteria for returning to lessons.

- Fever/vomiting/diarrhea has been resolved for 48 hours. Rashes cleared.
- Doctor recommendations for time out of ISR lessons has been met
- Any changes to original medical registration information.

HOW TO FILL OUT AN MLU: Please email us and we will forward the necessary information Needed to fill out a Missed Lesson Update.

WHEN YOU CHILD CAN RETURN TO LESSONS

Lessons can only be resumed with RET clearance and when the student's status on the Instructor's registration console is listed as APPROVED or APPROVED WITH PROTOCOLS.
