Meet Ronnie, a 5yo Shih Tzu who was surrendered from a puppy mill.

Understandably, this sweet boy is still a little scared of all the new things he is experiencing with his freedom. He needs someone patient to help him learn about life outside the cage. It takes a special house to adopt a mill rescue, but they make GREAT pets! If you would like to learn more, please contact:

EPMA is seeking a passionate, hard working, dedicated and professional individual to join our Executive Board in the position of Fundraising Chair. All funds raised by EPMA are put back into education for our community. To apply, contact President Denise Radford at [EriePuppyMillAwareness@gmail.com](mailto:EriePuppyMillAwareness@gmail.com). Visit our Facebook page to learn more.

Over 2 million puppies are bred in mills while an estimated 1.2 million dogs are euthanized in shelters EVERY YEAR.
