

The Literacy Council of Madison County, Inc. recently received \$1500 from the Rappahannock Electric Cooperative's (REC) Operation Round Up (ORU) program to support our Family Literacy effort aimed at distributing free books to the parents of pre-school and Kindergarten children. Operation Round Up receives its funding from REC members who volunteer to have their electric bill "rounded-up" to the next highest whole dollar. If REC provides your power, we ask that you consider supporting "The Power of Change" by joining the ORU Program to help others in need. Once enrolled, the extra change from Uour electric bill will be dedicated to charitable causes. Members can sign up by visiting the REC website (<http://www.myrec.coop/res/community/operation-round-up.cfm>) or by calling 800-552-03904 for more information. The average member contribution is approximately \$6,00/year and is tax deductible. An annual statement of your charitable contribution will be mailed to you.
