

ISRAELI STRIKE ON IRAN

EQUALIZING THE ODDS

A World Against Israel

As the saying goes, 'Not If, But When' has finally arrived in how Israel has retaliated with Air Strikes of its own on Iranian Military Targets within Iran. Surely, this is now an Escalation of the Middle East War Front that has embroiled Israel on several Fronts. On October 25, 2024, Israel responded to Iran's Barrage of Ballistic Missile Attack on October 1, 2024. That was the Eve of the Rabbinical New Year of Rosh HaShanah. That also coincided with the Annular Solar Eclipse.

What is notable, based on Numbers and Biblical Significance is how Israel also chose, apparently to retaliate, Eye for an Eye, Tooth for a Tooth, and in this case Missile for a Missile on the 1 Year Feast Anniversary of the October 7, 2023 HAMAS Attack against Israel. In the Rabbinical Calendar for 2024-25, October 25, 2024 is equivalent to Tishrei 23, 5785 (723). As the Bombing is developing, the scope of the IDF, the Israel Defense Force's reach is extraordinary.

Already, the IDF has eliminated the Successor to Nasrallah's Hezbollah's Command. Hashem Safieddine. This occurred in IDF Air Strikes in Southern Beirut. The IDF has also bombed the Ancient Port City of Tyre as Hezbollah Assets are retreating from Southern Lebanon. Israel is relentlessly pursuing its Enemies. It is, however, a Double-Edged Sword in that although Israel is eliminating the Inner-Ring of its Muslim Menace, the World is solidifying its Untied Opposition against it.

So, what does this mean for Bible Prophecy? Israel and the USA? Israel is fulfilling Biblical Prophecy in that part of the Unification of the Nations that will eventually come against it, in the Outer-Ring of Muslim Enemies is being set-up because of Israel's Retaliations. Israel is 'Pushing the Envelope' as they say in that by overtly striking at Iranian Military Assets, i.e., the Shemini Atzeret – Simchat Torah Attack, Iran will call on its Allies, China and Russia to intervene.

This Scenario, in turn, will likely have the USA intervene directly on behalf of Israel. As it is, the USA has provided much of the Ammunitions and Intel to Israel. And although the current U.S. Administration would rather not help Israel, it is having to do so by how much Israel does control and influence the various U.S. Federal Agencies, etc. And it is no 'Big Secret' that Israel and Iran have been in a Cold War for Decades. What this overt IDF Attack on Iran has enabled is for the escalation of the Middle East War to take several Steps forward in Biblically fulfilling the Psalm 83 Prophecy, the coming Isaiah 17 Destruction of Damascus and the Elam Prophecy of how Iran will be decimated. How so? This is foretold in Jeremiah 49:34.

A Nuclear Iranian Holocaust?

Interestingly, the core of Iran's Nuclear Facilities are situated in this Region. And it is adjacent to Iran's major Oil Fields and Refineries. Now Israel is just beginning in the Air Strikes that are aimed at 'Blinding' Iranian Intelligence and Surveillance. This will facilitate the future Air Strikes against Iran's Nuclear Facilities. And this is where, perhaps a Nuclear Disaster will occur in how the Israeli Air Strikes will cause Nuclear Spillage and Contamination to occur.

What all this is leading to will be the eventual Gog-Magog War. But in one's Timeline, that Event is to occur well within the 7-Year Tribulation Period. This will be after Israel comes out on Top, to the Point that it will live in 'Unwalled Villages', etc. Until that Day of Deception, guaranteed by their False Jewish Messiah, the Muslims are experiencing the Wrath of Israel. One other Geo-Political Dynamic is occurring that is tied to Islam and its reaction. Israel is totally humiliating their Muslim Enemies.

This has occurred with the precise and surgical Attacks against Hezbollah using their Cell Phones, Pagers and Waki-Talkies. Then Israel took out the Leadership Pyramid of both the HAMAS and Hezbollah Command to include the Iranian Revolutionary Guard's al-Quds or 'Jerusalem' Brigade, etc. What you do have also is Millions of Displaced Civilians on both sides that are being Killed in the Cross-Fire. But Israel will not Stand-Down as it is facing an Existential Threat, not seen since it was created by the U.N. Partition Plan of 1947.

In the Year 2025, Israel will have reached its 77th Year. And True to Biblical Form, watch for the Prophetic Significance of that Number. One has written on how the Storyline of both Jacob and Caleb, factoring a 77 Numerical Coefficient had to do with possessing the Promised Land or Bride, etc. But as one replies when Colleagues or Students 'Demand a Cease Fire' or that a '2-State Solution' be imposed for 'Peace', all that HAMAS and Hezbollah and Iran have to do is for them to stop their Missile Attacks on Israel and release the Israeli Hostages that includes Infants and the Elderly.

What is a Reality is that the Muslims, both in Gaza, the Muslim Occupied West Bank of the Ancient Homeland of Judea and Samaria and Southern Lebanon would rather offer every Woman, Child and Elderly on the Altar of their Genocide against Israel. As of this Writing, over 42,000 People, mostly Palestinians, have died because of HAMAS and Hezbollah and Iran, etc. With the Ground Incursion of the IDF into Southern Lebanon, that Region as well as Northern Israel are virtually deserted. This is unsustainable.

So, what is of concern to the Middle East, Europe, Russia, the USA is if Israel will target Iran's Nuclear Facilities. It already has in terms of Cyber Warfare. But a Direct Military Attack on such Sites is inevitable. See Chart for the possible Nuclear Fallout in Iran because of such an Apocalyptic Scenario. What this does is that such IDF Retaliations are to surely involve China and Russia. They have a Mutual Military Pack. And they are the Major Players in both the coming Gog-Magog War and that 100 Million Man Army that one is convinced is both a Human and Demonic make-up.

A Spiritual War

So, Israel vowed to 'Retaliate at the Time and Place of its choosing'. Well, Israel has kept its Promise. But all this is really a Spiritual War, foremost. Those who study the End Times or Eschatology of the Bible realize that the 'Hot War', now between Israel and Iran, is really a continuation of the Spirit of Haman, of the Prince of Persia, etc. It is against the Sons of Judah against the Sons of Amalek. See Article below.

#41: PRINCE OF PERSIA

BATTLE OF THE BIRTHRIGHTS

Spiritual Undertones of the Israel-Iran Nuclear Showdown

<https://www.postscripts.org/ps-news-41.html>

What is rather amazing is that despite Iran not being able to confirm Israel's Involvement in the Assassination of its Nuclear Scientists, Nuclear Facility Sabotages, and al-Quds Leadership, it nonetheless retaliated, overtly against Israel, twice now with Long-Range Ballistic Missiles and Drones. Clearly, the Strikes against Israel have been an Act of War. And no Nation can be blamed for not Defending its People. But according to the Leftists in the E.U., the USA and in Israel, the Jews are the only People that have to 'Take it'?

So, the purpose of this study has been to analyze the Military and Geo-Political Variability that could be considered as to when Israel will attack Iran, openly and decisively. Israel's 'Cold War' with Iran though, is increasingly becoming 'Hot'. Iran has already launched 2 Ballistic Missile Attacks against Israel, as of October 2024. This is a case of Open Hostilities between 2 Sovereign States, mind you. Israel has not 'Attacked' Iran head-on. It has in terms of Assassinations and Cyber Sabotage though. But Iran has responded Militarily in Open Hostility. The World's Media refuses to put this into proper Geo-Political Perspective. Just because a Member of one's Guest or General is taken-out does not constitute a full-on Missile Strike and Retaliation.

However, that is how World War 1 started. One was asked to give some Perspectives about when Iran is expecting an Imminent Air Strike from Israel, if at all. This is after Iran launched its 2nd Ballistic Missile Strike against Israel for having assassinated Nasrallah. The Iranian Strike against Israel occurred on the Eve of Rosh HaShanah, the Rabbinical Civil New Year and that happened to coincide with an Annular 'Wedding Ring' Solar Eclipse. It was reported that some of the Iranian Missiles were the New Hypersonic Types. Iran claimed that '90%' of their Missiles landed 'On-Target'.

And those Ballistic Missiles were both targeted at the Civilian Jewish Population and the Israel Defense Force IDF Military Bases. The Images of the Iranian Ballistic Missiles being shot-down over Jerusalem with the Temple Mount in foreground were spectacular to watch. Israel did acknowledge that many or 'Some' Iranian Missiles did get through. And that some Damages were sustained in Israel's Main Air Force Bases, especially the ones that house the New F-35 Jet Fighters in the Negev Desert. Obviously, such News and Images are not being released to the West nor reported as the Israeli Military Command seeks to minimize the Impact, psychologically.

The Prince of Persia

Now, in this 2nd Iranian Ballistic Strike, a lot more Missiles were not shot-down. Why not? Economics. It is just too expensive for Israel to do so. If the Damage is minimal and absorbable, Israel rather concentrates on those Missile Interceptions that will save Lives. This is based on A.I. Artificial Intelligence Algorithms that can calculate the Trajectory of the in-coming Ballistic Missiles within Seconds, etc. Now Israel has a 3-Tier Line of Defense?.

- 1. LEVEL 1 Defense: Iron Dome*
- 2. LEVEL 2 Defense: David's Sling*
- 3. LEVEL 3 Defense: Arrow System*

But only 1 of its 3 Systems can only address the short-range, slower in-coming Missiles and Drones. This Immediate Range and Line of Defense is only covered by the Iron Dome, which is well known. It is only designed to intercept short-range Missiles. Then there is David's Sling Defense. This level of interception can shoot-down Medium Range Projectiles. Then lastly, Israel has the Arrow System. This level of Interaction is designed to intercept Long-Range Ballistic Missiles.

As a precaution to an Israeli Counter-Strike, Iran was reported to have suspended all Commercial Flights in the subsequent Days. But it was with Good Cause. It was reported that Israel had sent their War Planes in a Bombing Run against Iranian Targets, the Day after the Iranian Missile Strike. What happened? It was reported that the Iranians were tipped-off by the Russians. It was reported that the Russian Satellites were tracking and can track any Israeli Plane.

The Israelis withdrew the Iranian Strike but are believed to still be planning a Bombing Run on Military Targets at some Point in Time. Jordan, the Country that has a Peace Accord with Israel informed both Israel and Iran that no Airspace could be used for their Attacks. Lastly, it was also reported that on October 5, 2024, there were 2 Earthquakes registered in Iran. One of the Quakes registered a 4.5-4.6 on the Recker Scale just to the East of Tehran, about 100 Miles in the area called Semnan. However, there are no known Iranian Nuclear Facilities in that Area, at least that it has been made Public.

The Iranians are constantly moving-around their Nuclear Infrastructure Underground because of Israeli Espionage and Sabotage Efforts. The other Quake, a 4.1 on the Recker Scale, was some 1000 Miles South-East the Zagros Mountains in Raver, Kerman Region. The closest known Iranian Nuclear Faculty is called Yazd, but it is not close to the 'Quake' that occurred on October 5, 2024. However, what is being discussed is how this Seismic Event was reported to not have the customary Compression Wave ahead of the Event nor significant After Shocks.

It is thus believed by some that it was not a Natural Occurring Earthquake, but rather an Explosion. The 'Hot War' has now escalated into what will assuredly be a Next Strike. What has complicated the Odds is that Iran not only has a Military Pack with Russia, but it is an 'Ally' of the BRICS nations, of which Russia and China are Members. It is believed that Israel taking-on Iran head-on will eventually lead to World War 3.

Muslim Menace

This will involve the Super-Powers of Russia and China to get directly involved on the Side of Iran against Israel. Already, the BRICS (Brazil, Russia, India, China and South Africa) are violently opposed to Israel and its Military Action against HAMAS in Gaza and Hezbollah in Lebanon. Throughout the Muslim World, there have been both Celebrations and Condemnation of Israel's decimation of Hezbollah. Mainly, the Syrians against Assad have celebrated in the Streets. But other Muslim Nations, like Bangladesh, Indonesia and Pakistan have come-out into the Streets in droves to support HAMAS and Hezbollah. And?

Pakistan does have a Nuclear Arsenal, although small, relatively compared. So, has Israel set itself up for a Nuclear Confrontation? Yes, i.e., Isaiah 17. What one is also asking is how the Virgo Constellation is a Motif of the Bride of Christ. So, one is thinking, how does/did the Comet also factor into the 'Message' or Omen pertaining to the Bride of Christ. Will she be next? One realizes that the Bride, while on Earth, is protected from YHVH's Wrath but it does not preclude it from having gone through Suffering and Sorrows.

And if the Church Age clocks into 2025, then the Body of Christ, especially in the USA will start to suffer the effects of all that has been predicted by so many. One does not see Trump being 'Elected' or allowed. But as for Israel, this present Condition is unsustainable. You have 1/3 of the entire Population evacuated from the North. 90% of the entire Population have gone into Bomb-Shelters. At least 1 full Academic Year of all levels of Schooling has been interrupted.

There is virtually no Tourism. Many Israelis have lost their Jobs. Israel is fighting on 7 Fronts. The whole World is against her. It is a pretty Dire Circumstance. Here is one's Assessment, in part. Based on Biblical Scenarios of what is to occur, i.e., the Rapture Event, the Evangelical Support for Israel being Gone, and the relentless Muslim Menace of the Inner-Ring of all those 7 Main Para-Military Factions, Israel is 'Shell-Shocked'. When you have only Seconds to reach a Bomb-Shelter from when the Sirens go-off, it wears-down on the Psyche.

One postulates that Israel is being conditioned, psychologically, much like COVID to have such a Mass Psychosis, that it will be driven to a Point of Desperation to search any and all types of Solutions. And that is where, based on Israel's Biblical History and Sensitivity or Sin, it has chosen more often than not to rely on the Geo-Political Savior of the Day. One knows how Israel would often make Peace Treaties with its Enemies or Neighbors, contrary to the Will and Wishes of YHVH.

Israel relied on Strong-Men Types, i.e., Messiah Complex Types come-on-the-scene to 'Rescue' Israel, etc. This is what one is conjecturing will foster the Circumstances, ideally to have Israel accept the AntiChrist Figure, whomever that will be to be their Rescue. So, as Isaiah foretells, Israel's Leadership will literally make a 'Deal with the Devil' to stop the Wars, the Killing, the Missile Barrages and Bombing, stabbing, etc. On a pure Human Level, one could understand why; one would or could not blame them.

The Christian Call?

But Israel, according to the Bible, as is the Bride of Christ are Special, Unique and Called-Out because they have already a Pact or Deal with Divinity, at being YHVH. But since Israel has been returned by YHVH to the Promised Land, but still in a Spiritual State of Unbelief. Biblically speaking, Israel is in a Blinded State of not seeing Jesus as their True Messiah, it will be all that much more convenient to accept a Messiah, made in their own 'Image and Likeness'.

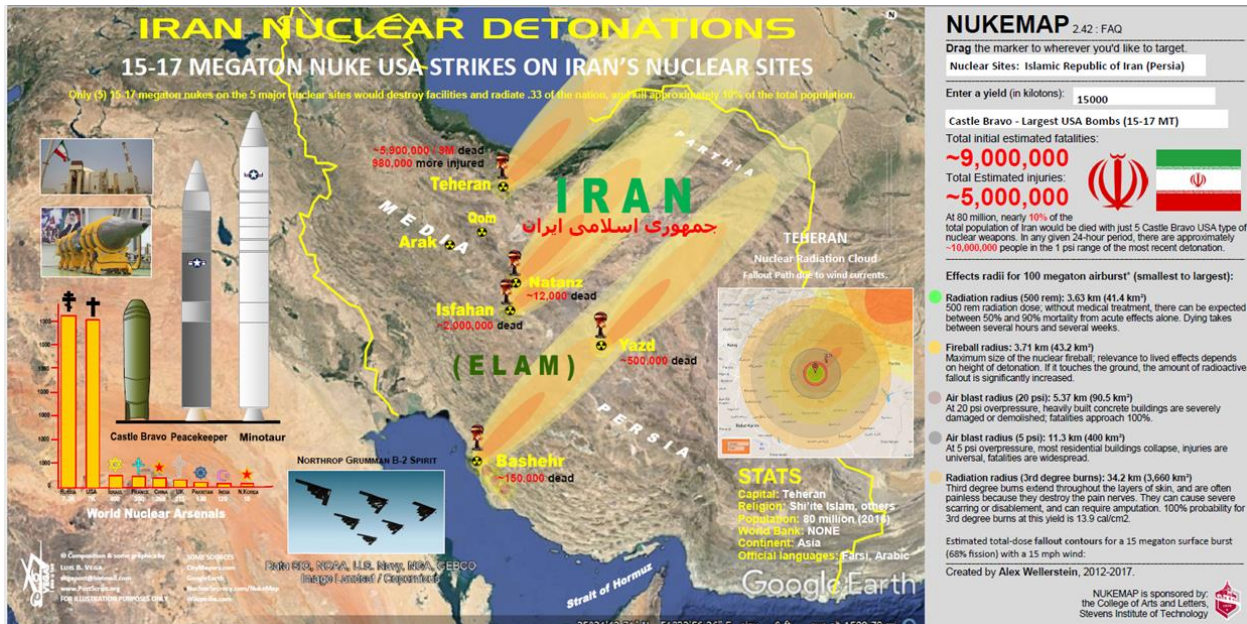

It will work, initially but it will be a Deception and Detriment to them as it will spell their Demise, i.e., the Covenant with Death, etc. This is why 2025 will be pivotal in what these present Circumstances are maturing that will be coming to a Head. In a sense, it is very scary, but in another sense it is Supernatural as one is seeing the Literal Signs Above and Events Below.

TIME OF JACOB'S TROUBLES

A People of Signs and Wonders

What is the 'Time of Jacob's Trouble?' Where does it come from? Where in the Bible does it reference it and what is the Prophetic Context being inferred? This Book attempts to chronicle the various aspects that point to the coming Time when Israel will be in Dire 'Trouble'. One can argue that since Israel's Modern 'Re-Birth' in 1948, there has been nothing but 'Trouble'. Why? One will present the Factors that will lead, to what one does interpret will be the fulfillment of the Prophecy of Daniel, known as the 70 Weeks of Years.

BURDEN OF JERUSALEM

3 World Wars Israel Still Has To Fight

The purpose of this Book is to ascertain several Notions of why Jerusalem, of all the Cities on Earth will draw all Nations against her in the Last Days. The Old Testament Prophets wrote of how the entire World would be getting 'Drunk' over Jerusalem in an attempt to possess her. Why? Control Jerusalem and one Controls the World. This is predicated on the Biblical Nuance that the City was deliberately placed at the Center of Humanity. It was placed by the Creator of the Universe, of Humanity, that is YHVH.

ETERNAL BATTLE FOR ZION

Burden of the Nations

This Book ascertains Events surrounding Israel as the Fig Tree Nation and how it is being contested by the Nations and coming from the Muslim Arabs who call themselves 'Palestinians'. It is a 'Battle over Zion' and who will get that as the 'Winner takes All'. This was not the case initially when the Palestinians had a chance at having their own State. They rejected the U.N. Partition Plan in 1947. This Book will examine the Political, Social, Religious Factors of how Israel is fast approaching its ultimate Rendezvous.

13TH KING OF ERETZ ISRAEL

He Who Comes in His Own Name

The purpose of this Book is to correlate the first 13 Kings of both the Kingdoms of Judea and Israel with that of the first 13th 'Kings' of Modern Day Israel in terms of its Prime Ministers since 1948. This study suggests that perhaps the 13th Person to Rule the Modern State of Israel will have a Parallel Destiny in terms of what the Number 13 means, what the Term might represent, and if it could be associated with the last Ruler of Israel before the Rightful King returns, Jesus.

RETURN OF THE DAILY SACRIFICES

Rededication of the Altar of Sacrifices

The purpose of this Book is to present a case for the Redemption of Israel of how the Rededication of the Altar of Sacrifice is directly related as the Precursor for the coming 3rd Temple, the AntiChrist and the fulfillment of Daniel's 70th Week of Years. The Religious Jews along with the Sanhedrin Rededicated the Altar of Sacrifice on December 10, 2018. This Rededication 'Echoes' the one also performed by Nehemiah at a similar 70th-Year Time Marker.

ANTICHRIST WORLD SAVIOR

Last Luciferian Beast Empire

This Book examines the case for the Countdown to the coming Apocalyptic New World Order that will be tied to Daniel's 7-Year Sabbatical Cycle of the Terminal Generation based on Sacred Knowledge, Past, Present and Future. Evidence presented will examine Astronomical Heavenly Signs, Biblical Types and Parallels to suggest when the advent of the coming Luciferian AntiChrist and his Empire are soon to be Debuted. The 'Image of the Beast' as foretold will cause the coming 3rd Temple to have an Abomination that causes Desolation.

THE 3RD TEMPLE

Abode of the AntiChrist

The Olivet Discourse basically consisted of a Prophetic Outline or Blueprint that would involve the Restitution of 3 Factors that have to be in place before Jesus' 2nd Coming. The Factors disclosed by Christ start with the Temple, then Jerusalem and end with Israel. Christ foretold that these 3 Factors would be Destroyed, in that precise Order. The Olivet Discourse went on to disclose that miraculously, the same would involve a Reinstitution, but in Reversed Order at the End of Days signaled by the budding of the Fig Tree.
