Improv!

It's time to throw out that pesky script and just make it up as you go along! The Highwood Theatre is bringing Improv to Art Squared, along with all the valuable skills that come with it, including problem-solving, teamwork, and quick-thinking. Are you ready to start improvising?

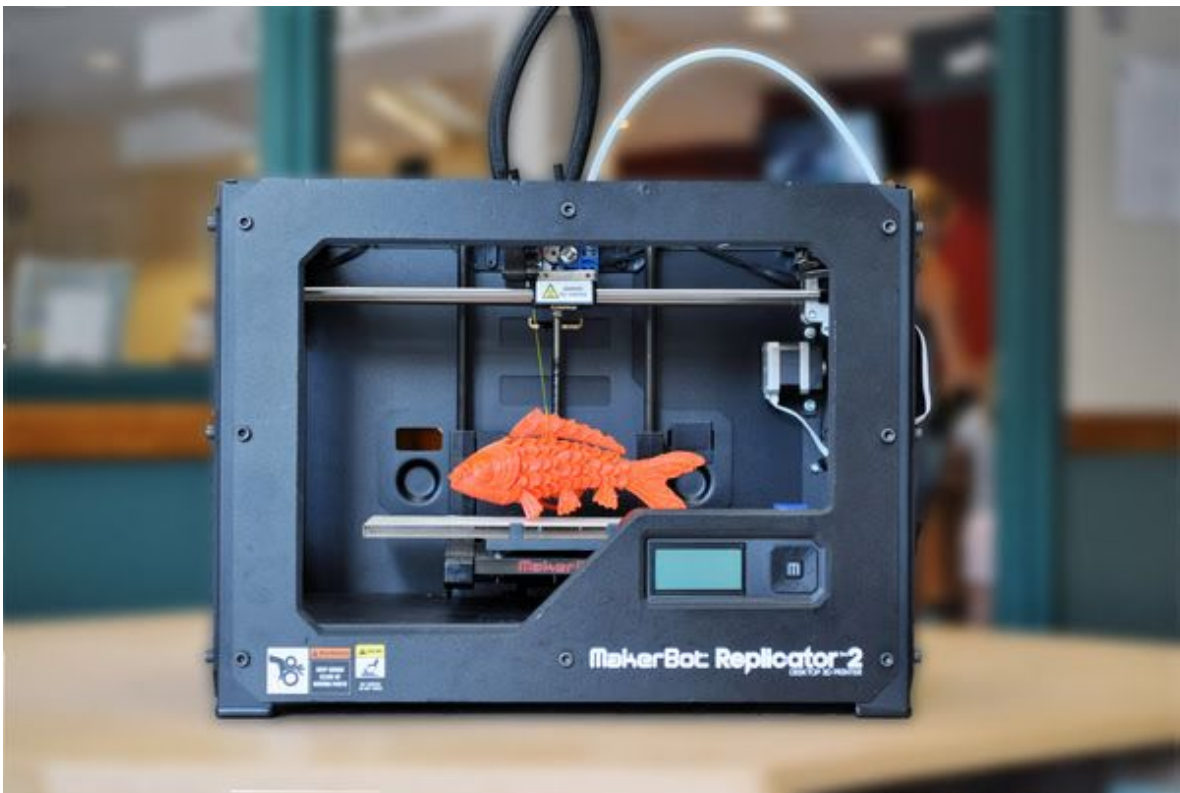

Learn More About Art Squared!

THEATREFIT

Get ready to sweat with TheatreFIT! Theatre is full of ways to stay active, whether it's through stage combat, active theatrics, or dance; being healthy has never been this fun!

3D Printing!

The possibilities are endless with a 3D Printer, and Art Squared is bringing that to the world of theatre! Creativity and design are crucial when using a 3D printer, so let your imagination run wild!

Upcycling Art!

Upcycling is the process of taking used goods and repurposing them to make something new. After all, art is all around us every day, so why let any of it go to waste?

Digital Music!

Music is constantly evolving just like theatre. In this cutting-edge class, you can create your own modern music with the help of the latest technology. There's lots to be discovered in this exciting new field of music and theatre!

Photography!

Art Squared is capturing the beauty of life through the art of photography! Catching the perfect moment is a skill worth developing, and you'll learn what really goes into editing a photo until it's ready to be showcased.

Save The Date!

Highwood's Summer Programs Open House
Saturday, March 4: 11 AM - 2 PM

Our Mission

The Highwood Theatre will provide you with the opportunity to create theatre collaboratively in a professional environment. You, as a valued member of the community, will explore and contribute to the many facets of the production process, arts programs and theatrical organization. We believe that anyone can do theatre.

Do you have the next most innovative idea in theatre? Let us know!
