Greetings Summer Camp Families,

Thank you for choosing the Geneva YMCA's Summer Camp program for your child this year! The camp staff is very excited about all of the exciting activities they have planned for the summer! Each day our staff strives for that 'WOW' moment for every camper. At the Y's Summer Camp we want to create an environment where all children can find activities they love. We offer a wide variety of engaging activities each day with plenty of time built in for independent play and discovery. We genuinely hope that your child's time at camp is one that will create a lifetime of memories!!

Enclosed you will find all of the necessary information to ensure your child's enjoyment and safety at camp. If you have questions about any of the content of this packet, please do not hesitate to contact us: 315-789-1616.

Once again, thank you for choosing the Geneva Y to deliver an awesome camp experience for you and your child/ren this summer!!!
