SECTION 2: TRANSPORTING GUNS AND FIREARMS

1. Carrier will transport and deliver firearms as defined by the Title 18, Chapter 44 and Title 26, Chapter 53 of the United States Code between areas served in the U.S., but only between: (i) Licensed importers; licensed manufacturers; licensed dealers; licensed collectors as defined in Title 18, Chapter 44 of the United States Code; law enforcement agencies of the U.S. or any department or agency thereof; and law enforcement agencies of any state or any department, agency or political subdivisions thereof; or (ii) Where not prohibited by local, state or federal law, from individuals to licensed importers, licensed manufacturers or licensed dealers (and return of same).
2. Upon presenting the goods for shipment, the person tendering the shipment to Carrier is required to notify Carrier that the shipment contains a firearm. The outside of the package(s) must not be marked, labeled or otherwise identify that the package(s) contains a firearm. The Shipper and recipient are required to comply with all applicable government regulations and laws, including those pertaining to labeling. The Bureau of Alcohol, Tobacco, Firearms and Explosives can provide assistance.
3. The Shipper and recipient must be of legal age as identified by applicable law.
4. Carrier cannot ship or deliver firearms C.O.D.
5. Carrier will transport small-arms ammunition when packed and labeled in compliance with local, state and federal law, and the Hazardous Materials section of this Service Guide. Ammunition is an explosive and must be shipped separately as hazardous materials.

Loaded firearms or firearms with ammunition shall not be shipped in the same package.

6. Carrier will not transport firearms that are legally owned by or offered for tender by an individual or from one individual to another individual (or to themselves at another address) under any circumstances.

SECTION 3: OTHER RESTRICTIONS:

1. Carrier is not obligated to receive freight that by its nature liable to impregnate or otherwise damage other freight or Carrier's equipment. Such freight may be accepted and receipted for subject to delay for suitable equipment, or may be refused for lack of suitable equipment.

2. Shipments of articles that by Federal or state regulation, or by the requirements of the shipper, have co-loading restrictions (e.g. medicines, toiletries, cosmetics, etc.), when tendered to Carrier, must be properly and clearly identified on the bill of lading and on the packaging. If the shipper fails to identify the restriction at the time of tendering the freight, Carrier will not be liable for any loss or damage resulting from co-loading.

3. Carrier is not obligated to receive any commodity that by its nature is particularly susceptible to damage or the market value of which is variable or particularly difficult to ascertain.

4. Carrier assumes no liability for damages resulting from loss, damage, delay or destruction to shipments of plants and plant materials.

5. Carrier will not accept bulk liquids requiring special tank truck equipment for transportation..

6. Tobacco products will be accepted for shipment only when shipped from a licensed manufacturer, dealer or distributor to another licensed dealer, distributor or wholesaler.

7. Carrier will provide transportation services for alcoholic beverages (including beer, wine and spirits) subject to all applicable laws and regulations.

8. Shipper shall comply with and shall ensure that each Shipment containing pharmaceutical products complies with all applicable federal, state, provincial and local laws and regulations governing the dispensing, shipment or tender of shipment of pharmaceutical products.

9. See Item 680 for Shipper's packaging responsibility and limits to Carrier liability related to the shipment of medical supplies, toiletries, cosmetics or drugs.

PROHIBITED OR RESTRICTED ARTICLES NOTES:

Note 1 Monetary coins will not be accepted as premiums with other articles except as authorized in NMFC Item 310.

Note 2 United States Mail will be accepted when the Shipper and Consignee are United States Post Offices.

Note 3 Except antique furniture subject to NMFC Items 100240 and 100260 or numismatic exhibits subject to Item 63830.

Note 4 Except pictures or paintings subject to NMFC Items 100240, 100260 and 149420.

Note 5 In the event articles identified in this item as prohibited in Section 1 are inadvertently accepted, notwithstanding other liability limitations set forth herein, Carrier will not be liable for delay, loss or damage. Carrier will take steps to remove the prohibited articles at its earliest convenience and charge the shipper for the additional cost involved. In the event articles identified in this item as restricted in Section 1A are inadvertently accepted but not approved in writing by Carrier prior to pick-up, Carrier will not be liable for delay, loss or damage.

Note 6 In the event Carrier has approved the transportation of articles identified in this item in Section 1A, Carrier's maximum liability shall not exceed the lesser of: (1) \$0.50 per pound per package [\$0.10 per pound for household goods]; (2) \$100,000 per shipment; (3) the actual invoice value of the commodities or articles lost, damaged or destroyed; (4) the amount determined from the applicable limited liability provisions of the NMFC; (5) the limits provided by contract, if applicable; or (6) any other applicable limits set forth in this tariff, unless Excess Declared Value Coverage is specifically requested along with the amount of coverage needed in writing on the bill of lading at the time of shipment and the applicable additional charges are paid (see item 166-1).

Note 7 Televisions and monitors, regardless of the technology, are accepted for transportation only as a contractual service. To receive service, Shipper must sign a contract and agree to the provisions set forth in the "Agreement for Shipping and Transporting Televisions." Carrier's liability for transporting televisions may be limited (see Item 166).

Note 8 Except Class 1, Division 1.4, subject to NMFC Item 64302. Explosives will not be imported to or exported from Canada and Mexico.

Note 9 When packages are defective or leaking through no fault of Carrier, the Shipper will be responsible for all costs associated with containment, collection and disposal of the materials.
