Beautiful plants, trees, and arrangements can be purchased from Sarasota County 4-H and FFA Chapter members. Portions of your purchase may be tax deductible. Please check with your tax advisor for all possible deductions.

### **Buyer Registration:**

You must register and pick up a bidder card to purchase. Only adults, 18 and over, can register. Registration will start ONE hour before auction. You may register at any time during the auction but you must register before bidding as only bids from those with auction numbers will be taken. The sale is conducted in Sale order ranked by the exhibitor's results in judging in the fair's competition. Overall Best of Show is first.

Payment is required at time of Auction. We accept, cash, check, Visa, MasterCard, and American Express.

### **Pick up:**

When you've purchased all of the items that you wish to buy, please proceed to the buyer registration table and pay for your purchase(s). You will receive a "paid" receipt at this time. Please keep your receipt to show to plant loader as this is how your plant purchase is identified.
