

Outdoor Burn Restrictions in Effect!

Due to the current and forecasted hot, dry conditions, specified outdoor recreational fires (campfires, fire bowls, and fire pits) have been restricted throughout unincorporated and incorporated areas of Spokane County by order of fire marshals and county officials. The restrictions will continue until further notice and are subject to change depending on conditions. For more information, please visit www.spokanecleanair.org or call 477-4727.

Skateboards and bicycles are not allowed on sidewalks. Please remember (and remind your household) to walk your bicycle or carry your skateboard if you will be traveling on the sidewalks, especially in the business areas.

For the protection of you and your pets, remember to register your pets with SCRAPS.
