# PREFERRED INSULATION

Preferred Insulation Contractors, Inc. is the premier provider of mechanical insulation contracting services in California and Arizona. We are industry leaders in new construction, tenant improvement and retrofit projects. Our specialty areas include refrigeration, cryogenic and hydronic piping, fire wrapping of grease ductwork and heat tracing systems. It is our experience and dedication to excellence that sets us apart from our competitors. Our rigorous business processes and unwavering commitment to safety combine to ensure that your project is done on time, done right and completed within budget.

We have a proven track record for success and we are committed to your complete satisfaction at every stage of the project, no matter how big or small.

Preferred is dedicated to surpassing our clients expectations every day. From project initiation to completion, we are the ones to count on when you need it done right the first time!

**CALIFORNIA - (951) 735-3749**

**ARIZONA - (602) 252-2693**

*"Gotcha Covered"*

At Preferred Insulation Contractors, Inc. and Preferred Firestopping, Inc., our policy is to clearly define, communicate and understand the work requirements to perform jobs right the first time. Our commitment to total quality management is founded in our corporate values of honesty, integrity in all matters and a tireless work ethic. These values serve as the Foundation for guiding or decision making and for our continuous improvement.

The achievement of quality is the responsibility of each and every one of Preferreds' employees. Each of Preferreds' employees is expected to perform his or her tasks correctly the first time in accordance with project procedures or other requirements.

As we strive to achieve these values and commitments, the name Preferred has come to stand for quality to our employees, clients and the community at large.
