Finished 53" x 71"

Have you wondered how you can use Ombre fabric? Well, here's an idea that's fun and looks so cool!

Supplies

- Ombre Ribbons pattern (\$10)
- Largest cutting board you can bring (I'll bring one)
- Rotary cutter with new blade
- Wonder clips (lots)
- Pins
- Scotch tape
- Scrap paper for labels
- 6 1/2" x 6 1/2" ruler, 6 1/2" x 24" ruler, 12 1/2" square ruler
- Gray or cream piecing thread
- Pencil and chalk for marking

Fabric

- White background 1 3/4 yards (Do NOT include any colors in it. It should be all white or read white)
- Thread cutter (if you don't have one, Fat Quarter Shop has one for \$4.48) I'll bring 2. Very helpful.
- Ombre fabric: (1/3 yard each of 12 different fabrics)

TIP: wrap white fabric onto an empty bolt or large hanger.

NOTE: The fabric is light in the center, then medium shades on each side, then darkest on the 2 ends. Other ombre fabrics will work, but make sure they are colored as I just said. Also, you will need 1/3 yard each of 12 different ombre fabrics.

1-I used Ombre Confetti Metallic 20 by Moda Fabrics (still several websites selling this)

2-Here's an example that won't work. Can you see the colors totally change?

VERY IMPORTANT

PLEASE STARCH ALL FABRIC BEFORE COMING TO CLASS. You will be so happy you did as cutting and piecing will go smoother. I love these 2 options: Faultless Premium Luxe Finish and Sta-Flo liquid starch (1 part starch/1 part water) into spray bottle.

I'm looking forward to having fun with you and making this fun quilt design.
