CHAPLAIN

Ladies,

Where has the time gone? June is here and that means it's time again for convention. I want to say thank you to the 57 units that sent in reports. I am sorry to say that I will not be in a dress as we didn't make 100% reporting.

If your unit is bringing a Prayer Book for judging IT MUST BE THERE FRIDAY. Judging starts immediately after we adjourn Friday afternoon, so get them there early in the day. Also I am still taking prayers for President Cindy's Prayer Book, so bring them with you.

See you all in a few weeks.

Education June, 2019

I wish to express my thanks to all the Units who participated in the Education Program this year, especially those who took the time to turn in a report and/or narrative. I look forward to recognizing some of your Units for their hard work at the Department Convention in June.

As the Auxiliary year comes to a close, please continue to keep the Education Program in mind. The future success of our schools and children depends on you.

Hopefully, we have all helped National achieve their goals for this year:

1. Enhance respect for the sacrifices of our military heroes among school children by scheduling Veterans in the Classroom programs at local schools.
2. Promote American Legion Auxiliary scholarships, and award local scholarships at the department and unit levels.
3. Build a relationship with your local schools — focus attention on “Give 10 to Education,” American Education Week and Teacher Appreciation Week.
4. Assist and support veterans pursuing higher education and vocational education.
5. Assist and support military children with educational opportunities.

Thank you all for everything you have done to make my year as Chairman of the Education Program a success.

ARIZONA MISSION TRAINING

Believe Equality Exists Supporting Every Veteran

Hello June, the final month for this year. My thanks to the instructors and mentors who help support this program and the great work you do for all of us. My extreme thanks to the 42 units reporting. You all did a great job. Thanks for the narratives and the mentor nominations. There have been some individuals nominated for Instructor positions which are under review.

There were only two sessions in 2019 with several cancellations. We have 13805 members paid as of May 10th, yet only 88 attended training and units reported 31 members doing some National training.

Every entity needs to have its members attend some form of training each year. Repetition of what is available during the year is how we retain what we learn. Boring, I know, but necessary. Without current knowledge members become bored and drop out and the entity goes downhill. Sound familiar?

Thank you for allowing this committee to work with all of you this year.

**“BELIEVE EQUALITY EXISTS

JUNE 2019**

It's Convention time!!!

Thanks to all the units that turned in music reports. I especially want to thank those units that took the time to write a narrative to accompany those reports. Your hard work and dedication to bringing music to Auxiliary events is a blessing for the rest of us. I have truly enjoyed being the Department Music Chairman this year and look forward to meeting you at the Convention. I want to invite all of you to bring your singing voices with you to convention. The music for the Memorial Service to be held Sunday morning, June 23, 2019 has been selected by Gene Chewning, the American Legion Department Chaplain. The choral selections this year are “In the Garden” and “Just a Closer Walk with Thee.” “God Bless America” will be sung at the end of the service.

Once again, music will be played during the breaks and for special recognition by President Cindy. Looking forward to a wonderful fun-filled Department Convention!

Department Music Awards will be handed out at Convention as follows:

MUSIC PLAQUES

**Frances Aros Memorial Music Plaque awarded to Unit with membership of 151 and over

**American Legion Auxiliary
National Security**

June 2019

The National Security program strives to maintain and promote a strong national defense by strengthening and supporting all military service members and their families. This task is never ending for the entire Legion family, for you see without our military we would not be who we are. Each and every time you help a military family you touch many lives. You are there to provide much needed assistance to family members and at the same time that active duty serviceman or woman is eased of worry. In turn military personnel can focus on their duties while away from home. This is a win, win for the entire family.

National Security is simply being safe in your own home without unwanted intrusions. It is being safe in times of natural disasters like an earthquake, flood or fire.

Natural Security is recognizing the service of a fallen hero. It is honoring and promoting the USO, POW/MIA program. It is supporting students who are currently enrolled in JROTC.

Thank you so much for your reports! Many of you reported on your activities and it was such an amazing story that I sent to our National Chairman Pam Ray! We have come to the end of the road for this year and so much has been accomplished by all of you. Keep up the good work and continue your story into the next century!

How honored and humbled the feeling I hold to have represented you Team Auxiliary in 2018-2019! The road I traveled continues to instill the ever satisfying feeling that I have – yes we are free, because of our military, so keep honoring them in every way possible.

Visually Impaired Veterans

I wish to thank all the members for making the President's Special Project a big success this year. I only wish each of you could meet and speak with some of the veterans who have and will benefit from your generous contributions. I want you all to know how much your efforts are appreciated

Thank you to all the Units who sent me a report. I encourage each unit to write a short narrative next year. The ones I received were outstanding and judging was really tough. I know other Units did some really neat things this year to educate and support visually impaired veterans and could have made the judging even more difficult! I did not judge them myself, thank goodness, but had some very qualified judges. Thank you judges for making some very difficult decisions.

I look forward to seeing many of you at Convention and revealing the winners of the Cathy Jarvis and Ginger Cox Awards!

SERVICE TO VETERANS

June, 2019

Congratulations ladies. You have completed a very busy and productive year for our veterans and their families.

I was in awe of your creativity and volunteer spirit. No matter the size of your unit, you devoted your time and effort to report great numbers for your units.

There are 87 units in Arizona and only 54 units reported their numbers for 2018-2019.

At this time, you can all start keeping track of your hours, miles, number of veterans helped (best guesstimate) and dollars spent (monetary and in kind) for 2019-2020. I would suggest keeping track each month as this will make it easier at the end of the year to have all your information at hand. Many units go dark for July and August, however, that doesn't mean you stop helping our veterans and their families. Continue helping them and just remember to turn in your information when your unit starts back up in September.

Ladies, please come to convention to hear about all the varied events, total hours, miles driven and dollars spent helping our veterans and families. Who knows, you just might get some new ideas for events for your unit next year.

I look forward to seeing you at convention.

Roll call was taken, a quorum was established. Carol Culbertson motioned to accept the minutes as written, second and approved.

Treasurer's report was unavailable.

Judith Hatch gave an update on the Memorial Day Program. The construction has been postponed until the middle of June so the parking for VIP's and participants should not be a problem. She reminded everyone to arrive early due to the backup on Cave Creek Road every year.

Director Rima Nelson, VA Medical Center, announced that Deputy Director Sean Branski has been selected for the Director's position in the VA Medical Center, Danville, IL. Sean will be leaving the middle of May to accept this appointment.

The Mission Act which President Trump signed into law last June becomes effective this June. It will take seven different types of programs and streamline them into one. It also provides support for the care giver program. It expands the care giver program to all era veterans, not just Post 9-11. Eligibility will change. If you live more than a 30 minute drive time you can go in the community.

An exoskeleton device was donated to the VA to help paralyzed veterans stand and walk again.

The Veterans Resource Center continues to help veterans in a more timely manner. They can address all questions and problems. Over 2400 veterans have been serviced so far.

Director Nelson met with the Mayo Clinic to see if they would be willing to have some of their interns serve some of their time at the VA Hospital. They agreed and several interns have spent some of their internship at the VA. They were very impressed with some of the modern equipment they were able to train on and when they went back told the Mayo Clinic that when they completed their internship they were hoping to get a job at the VA. Director Nelson also got the Mayo Clinic to agree to once again accept veteran patients for situations that the VA is unable to handle.

The VA is planning on a number of Town Hall Meetings throughout the state. They will be held at various American Legion Post.

David Lucier gave an update on our attempts to get a Fisher House in Phoenix. Things are going well but he is still looking for more letters of support. The next step will be to locate and buy the land.

Jessica Roza, Military and Veterans Community Liaison for Congresswoman Debbie Lesko advise the members that Congresswoman Lesko has co-sponsored a bill that would repeal the Widow's Tax signed into law this past year.

Terry Araman, Legislative Chairman updated the membership on the status of a number of veteran's issue bills. HB2488 "Suicide Reporting" has been signed by the Governor.

HB2093 – Requesting 12 more Veterans Counselors for the State has been held up in budget negotiations. Members are encouraged to write letters to the Governor in support of this issue. With the increase in the veterans community due to the current world situation, the current Veterans Counselors are over taxed. There were 2 bills, one in Senate and one in the House to change deduction taxation on Veteran's retirement, both bills have fallen off the map.

The AVHOF Induction Ceremony will be Saturday, October 18th.

There will be a special presentation at the WWI memorial at Wesley Bolin Plaza on Saturday, May 18th at 11:00 a.m.

There being no further information to come before the membership, the closing ceremony was held and the meeting was adjourned at 12:05 p.m.

Respectfully submitted,

Judith Hatch
