

The Freedom Rally at the Capitol was held on the 29th. It had attendance that was about average of previous years.

We are still working on getting a fairer insurance law...

Harley-Davidson had to pay a \$12 million fine and stop selling aftermarket parts that increase air pollution.

President Trump approved a change that will allow E 15 to be dispensed from E10 pumps.

This may be the last time that I make a report. After many times asking if any members would like to step up to the R.C. position I was informed that a member, Joshua Spence, is interested. Once things get organized, I will see what position I might hold, if any. It's been a pleasure to serve ABATE and Region 9 and will continue to do in whatever position I might hold.

Hope you are enjoying the riding that you can.
