The application deadline is November 30, 2021. Submit to Heritage Chorale, 2022 Scholarship Program, 828 N. Harvey Ave., Oak Park, Illinois, 60302. Selection will be made before the beginning of Heritage Chorale's spring semester in January 2022. The scholarship award of \$1,000 will be made at the spring concerts in April 2022.

I understand that if I am selected for this program, I will join Heritage Chorale as a singer during its spring semester, beginning on January 10, 2022 and ending with performances on Saturday evening and Sunday afternoon, April 2 and 3, 2022. Rehearsals are Monday evenings. Two regular Monday rehearsal absences are permitted. Dress rehearsals on the Monday and Friday evenings immediately preceding the performances are mandatory. Vaccination for COVID is also required. The scholarship award is conditioned upon full participation and successful completion of the spring semester with Heritage Chorale in conformity with attendance and other standards generally applicable to Heritage Chorale members, except dues will be waived. I also understand that this scholarship, if awarded to me, is for my pursuit of music study in the vocal arts, and that payment will be made to the institution(s) or individual(s) with whom I will study. I will supply information and cooperate in securing confirmation concerning my study plans and arrangements.
