

An app that drives better decisions and healthier outcomes for members on the go

Convenience

- Easy-order refills and up-to-the-minute order status lets members avoid trips to their local pharmacy

Simplicity

- One swipe of the finger is all it takes to stay on track with medications

Peace of Mind

- Reminders and a drug interaction checker help keep members traveling on the road to good health

Versatility

- Flexibility that fits members' lives, delivering personalized prescription information – *whenever & wherever* they need it

From the mobile app, you'll have instant access to these great features:

Claims and History

View your past prescription activity and payment details.

Refills and Renewals

Running low? One touch and you are good to go.

Order Status

On its way? Just swipe the screen with your finger to track your home delivery order status.

Medicine Cabinet

Check interactions, set reminders, manage your medications and update your history in one spot.

Transfer to Home Delivery

Save the runaround (and maybe some money) on prescriptions you take on an ongoing basis.

My Rx Choices

View lower cost options available under your plan and discuss them while you're still in the doctor's office!

Pharmacy Care Alerts

Get personalized alerts to help make sure you're following your doctor's prescribed treatment plan.

Locate a Pharmacy

Search for the nearest in-network retail pharmacies view contact information and access directions.

Drug Information

Search detailed drug information and see potential side effects, drug interactions, pill images & more.
