DESCRIPTION: Great looking and highly sought after vintage Browning recurve. Factory installed bushings. This a beautiful bow that has some cosmetic issues. There are a number of stains/blemishes in the rosewood riser (see pics). No delamination; no cracks; limbs appear straight. Overlay tips are in great condition. No drilled holes. No chips or cracks. A couple of small dings. No stress lines or crazing. Decal is in excellent condition. A few scratches and scuffs on the limbs. This is a really attractive bow.
