Thank you all -

Dear Pastors, Parish Staff's and parishioners:

Sincere thanks to you and your whole parish community for welcoming a missionary to speak on the evangelizing work of the church as part of the Missionary Cooperation Plan (MCP) for 2020. As Catholics, we believe that we are all children of God, one family in Christ, one community and together we journey in faith. We have much to learn and share with each other! The MCP program provides a wonderful and valuable opportunity for your parishioners to hear and to learn about a Catholic community of faith in another part of the country or from around the world, and gives them an opportunity to directly support our missionary congregations and newly formed or struggling dioceses.

We are deeply grateful for your hospitality toward your visiting missionary/s and for the generosity of the staff, parishioners and visitors of your parish community. May God continue to bless you and your parish/es with abundant grace and love.

Peace and Blessings now and always,

Elizabeth Nexille
Director
