Different licences for different vehicles

Manitoba has six classes of driver's licence, numbered from 1 to 6.

Depending on what vehicles you'll be driving and whether you'll be driving for a living, you'll need at least one of these licences. Each has its own requirements.

Most people get a Class 5 licence. It lets you drive most cars, light trucks, some vans and SUVs.

Some of the other classes let you drive big trucks, buses or motorcycles.

A chart describing these six licences is at the back of this brochure.

Requirements to get and maintain all Manitoba licences

Required documents

To apply for any licence, you'll need legal documents proving:

- your date of birth
- your identity (including signature, legal name and photograph)
- you're a Manitoba resident
- you're entitled to be in Canada

The documents must be originals. Birth registrations and laminated certificates that read "void if laminated" on the back are not accepted.

You can combine different documents to meet the requirements. To find out what documents you'll need, please see the *Establishing your Identity* brochure at mpi.mb.ca or at any Autopac agent.

Health requirements

To get a driver's licence, you must be healthy enough to drive safely. This includes meeting our visual and medical standards.

If you have any health issue that may prevent you from driving safely, we'll need a medical report to assess the situation. The report must accompany your application for a driver's licence. All costs related to this report are your responsibility.

Here are some examples of health issues needing a medical report:

- conditions affecting your alertness, memory, learning and judgment
- physical disabilities
- mental disorders
- vision problems
- alcohol or drug abuse

If your health affects your ability to drive safely, our Medical Compliance & Assessments department will need to know about it:

- before you take a knowledge test for your driver's licence
- before you enroll in a Driver Education course

Age requirements

- You must be at least 16 years of age to apply for a Class 5 driver's licence, or 15½ to apply for a Class 5 Learner Stage licence if you are enrolled in a high school driver education course.
- Consent of a parent or legal guardian is required if you are under 18 years of age.
- You must be at least 16 years of age and hold a minimum Class 5 Learner Stage or Authorized Instruction Stage licence before applying for a Class 6 (motorcycle) licence. (For more information on Authorized Instruction, see page 6.)
- You must be at least 18 years of age and hold a minimum Class 5 Intermediate Stage or Class 5 Authorized Instruction Stage driver's licence to apply for authorized instruction in a Class 1, 2, 3 or 4 licence.

Who must take a driver test

You must take a driver test for the class of vehicle you wish to drive if you:

- have never been licenced for that class of vehicle
- have not held a Manitoba licence within the past four years
- hold a licence from outside Canada, the United States or other jurisdictions whose licences are not exchangeable

You may be required to be re-tested if you:

- have been involved in traffic accidents or convictions
- have had your licence suspended
- have a disease or disability that may affect your ability to drive safely

New to Manitoba?

New residents may operate a motor vehicle in Manitoba with their valid out-of-province licence for up to three months before requiring a Manitoba driver's licence. Testing requirements may be waived if you surrender a valid and equivalent class driver's licence from a reciprocal jurisdiction. For further information on new resident drivers, please call 204-985-7000 or toll-free 1-800-665-2410, TTY 204-985-8832 or visit us at mpi.mb.ca.

Change of name or address

You must notify your Autopac agent or Manitoba Public Insurance within 15 days of any change in your name or address.

For more information please call 204-985-7000 or toll-free at 1-800-665-2410 or visit us at mpi.mb.ca.

Graduated Driver Licensing (GDL): For new drivers

Drivers who apply for their first Class 5 and/or Class 6 driver's licence are in the Graduated Driver Licensing program and are subject to the GDL stages and restrictions.

Manitoba's Graduated Driver Licensing Stages:

- L** **Learner Stage – Classes 5 and 6** *(Minimum of nine months)*
- I** **Intermediate Stage – Classes 5 and 6** *(Minimum of 15 months)*
- F** **Full Stage – Classes 1 to 6**

GDL will not apply to:

- drivers who held a Manitoba licence before April 1, 2002
- drivers who held a Motorcycle instruction permit before April 1, 2002
- experienced drivers who have been declassified (i.e. road failure)
- experienced out-of-province drivers who are required to take full driver examinations when transferring to a Manitoba driver's licence
- drivers who have held a Class 5F licence (Full Stage) for over three years and want to learn to drive Class 1 to 4 vehicles

Learner drivers who are **not** in the GDL program will be issued a Class 5A licence (Authorized Instruction Stage). See page 6 for more information.

Supervising driver

A supervising driver must accompany a Class 5 Learner driver and drivers with Authorized Instruction. The supervising driver provides on-road training and monitoring while new drivers practice their driving. The supervising driver should be prepared to assume control of the vehicle if necessary.

The supervising driver must:

- hold a valid driver's licence in the class of vehicle being operated by the learner
- have held a minimum Class 5 Full licence for at least three years
- have held a licence in the class being operated for at least two years if a Class 1-4 vehicle is being operated
- be the only front seat passenger if supervising in a Class 5 vehicle
- occupy the seat nearest the driver if supervising in Class 1-4 vehicles
- have less than .05 blood alcohol concentration

Authorized Instruction: Learning to drive other types of vehicles

Licensed drivers who are learning to drive vehicles other than passenger vehicles need Authorized Instruction. *These drivers are not in GDL.*

To apply for Authorized Instruction for a Class 1, 2, 3 or 4 licence, you must meet the following requirements:

- be 18 years or older
- hold at least a Class 5 Intermediate or Authorized Instruction licence
- file a medical report for approval*
- pass a knowledge test

A person must hold a valid minimum Class 5 Intermediate Stage driver's licence to operate a special mobile machine, implement of husbandry or tractor on a provincial highway, or a highway within the municipal boundaries of a city, town, village or urban municipality. For further information please call 204-985-7000 or toll-free 1-800-665-2410, or visit us at mpi.mb.ca.

**A medical report is valid for six months from the date it was completed by a physician. You must obtain your Authorized Instruction within this six-month time frame.*

Getting tested for your Class 5 licence

For everyday driving most people apply for a Class 5 licence. It lets you drive most cars, light trucks, vans and SUVs for pleasure and commuting.

Aside from all the other requirements discussed in this brochure, you'll have to pass a knowledge test and road test.

Knowledge test

Before taking the test, you must register as a Manitoba Public Insurance customer and provide proper identification documents. The most convenient way to register is through an Autopac agent. (For more information on registering as a customer, visit mpi.mb.ca.)

The test assesses your knowledge of traffic laws, safe driving practices and recognition of road signs. (It is not an open book test and cellular phones or electronic devices cannot be used.) The test charge is \$10 (subject to change)*.

**Charges for the Driver Education program include one knowledge test.*

If you are in GDL and fail the knowledge test, you must wait seven days to retake it. If you are not in GDL you are eligible to repeat a knowledge test the next working day.

If an applicant is under 18 years of age, a parent or legal guardian's approval is required to take the knowledge test. Driver Education students under the age of 16 must provide a completed Driver Education form before taking the knowledge test.

After passing the knowledge test and meeting the vision and medical standards, you will be required to purchase a licence for \$20 plus base driver premium charges of up to \$45 (subject to change), plus any applicable additional driver premium.

Road test

The Class 5 road test not only measures your ability to operate a Class 5 vehicle, it also identifies errors that need to be corrected. You will be required to operate your vehicle in typical traffic situations in a safe and legal manner. You will be judged on your driving skills. Only authorized Manitoba Public Insurance employees may ride with you during the test.

For more information on taking the knowledge or road test, see page 10.

Please ensure you check in 15 minutes before your appointment. You must supply a vehicle in good working order and a Vehicle Registration Certificate confirming the vehicle is properly registered and insured. The vehicle must have adequate seating for the driver examiner. Failure to do so will result in the cancellation of the road test and no refund of the test charge. Road tests will not be conducted in heavy or agricultural equipment.

Applicants for a driver's licence who have not held a driver's licence any time prior to April 1, 2002, from any jurisdiction, are subject to a nine-month learning period after the knowledge test before they are eligible to take a road test. If you are outside of GDL you are eligible to repeat a road test the next working day. If you are in GDL and fail the road test, there is a 14-day waiting period to retake it.

Some individuals who already hold a Manitoba driver's licence in the Intermediate or Full Stage may be required to retake a road test for medical or driver improvement reasons. Under these circumstances, a road test failure will result in declassifying your driver's licence to a Learner or Authorized Stage. This will require you to have a supervising driver with you when driving.

Test Appointments

Scheduling your knowledge or road test

- All knowledge and road tests are by appointment only. Visit any Autopac agent* to pay for your test and to schedule your test appointment.
