**To :** tina@moactioncoalition.org

Good Afternoon! The latest edition of the Missouri Action Coalition newsletter is attached to this email and available [online](#).

The Missouri Nurses Foundation (MNF), a nonprofit working to promote the future of nursing, seeks to build camaraderie among and visibility of nurses in our state and is sponsoring a specialty license plate celebrating Missouri nurses. As an engaged nurse and member of the Missouri Action Coalition, MNF is offering you the opportunity to be among the first to sign up for a specialty plate.

Identifying 200 individuals interested in purchasing a plate is our first step with the Missouri Department of Motor Vehicles (DMV). Please click [here](#) to sign up. To reward your prompt response, we are able to offer those who respond by June 30 the opportunity to vote on the final design.

The plate will ultimately cost \$40 annually (in addition to regular registration fees), but no money is needed at this time. You will see a specific design before making a financial commitment.

MNF hopes you will help us to secure at least 200 names to move the project forward. We are asking for your help sharing the sign-up link with nurse colleagues, recent graduates, or friends of nurses.

Thank you! We hope to sharing good news with you about the plate -- and the opportunity to vote on a design -- later this summer.
