The **LBLC** Difference is simple...we are garment experts working to provide the highest quality custom uniforms in the game. Founded in 2013 under our parent company 313 Lacrosse, LBLC now services men's & women's lacrosse clubs all over the country providing our own brand of custom craft uniforms.

### **Dye-sublimation Printing**

Dye-sublimation printing is the new standard for customized team apparel. Using a printing process that allows unlimited possibility for designs and colors with no fading or cracking numbers.

### **Quality & Build**

Since day one we have been obsessed with producing our apparel using the highest quality dye-sublimation printing, make & trim, & perfect fitting specifications.

### **Artwork**

Our art is drawn from a team of highly experienced graphic artists & apparel designers. Bring your own ideas to life choose from an evolving library of cutting-edge template designs developed constantly updates with the hottest trends. LBLC has become known for our modern and "clean" designs seldom found in the dye-sub industry.

### **Turn Times & Fill-ins**

Rapid turn times of 2-4 weeks for all orders. Unlimited access to reorders & fill-ins orders.

### **Reorders/Fill-ins**

Unlike many of our competitors, LBLC offers unlimited access to reorders and fill-ins for our customers.

**NO Contracts required!**

## **• HOW TO ORDER •**

Sublimated apparel is a new experience for many of our customers. Follow these steps to design & order your custom sports uniforms & apparel through LBLC.

### **1. CHOOSE YOUR PRODUCTS**

Choose your gear from our selection of dye-sublimated products offered in multiple tiers to meet your budget. Many of our items can be bundled as cost-savings packages.

### **2. REQUEST A QUOTE**

We have many options & package deals to meet your exact needs. You will receive a bid with estimated cost for your order.

### **3. DESIGN YOUR ARTWORK**

LBLC offers two main methods to create the artwork for your designs. These are through our template designs or the custom artwork process.

### **4. SUBMIT YOUR ORDER & DEPOSIT**

Once artwork is approved we will ask you to submit a LBLC workbook with your order details (quantities, numbers, & sizes), shipping information, & method of payment. You will receive an electronic invoice for you order that with a required 60 % deposit to begin production.

### **5. FINAL APPROVAL**

You will receive a final print proof that will contain the exact colors & design layout of your order. We require our customers to approve for final production.

### **6. RECEIVE YOUR ORDER**

The final step is to pay your remaining balance in full. At this point, your order will be ready for pick-up or delivery.
