

## **CACAGNY Recommends Voting NO on all NYC Ballot Proposals**

CACAGNY agrees with [Asian Wave Alliance](#) regarding the 4 proposals on the ballot for the November 8 voting that, despite their benign-sounding wording and deceptive advertising, they do nothing but:

- 1) Create new, expansive mandates that ultimately need to be funded by more income redistributions;
- 2) Reflect the fashionable, performative priorities of the wannabe elite at the expense of the true, urgent concerns of real New York families, and
- 3) Will be used to discriminate against Americans of Asian descent.

Therefore, CACAGNY urges members and friends to vote NO on all 4 proposals.
