Director Update

Giving of Time

As we close the books on 2022, we are extremely thankful for the twenty containers we were able to ship and the 325,000 pounds of rice we were able to purchase during the year.

As we continue to change the world one container at a time, we greatly appreciate all the help we receive to make these little miracles happen.

A large part of what we do relies on the wonderful volunteers that help pick up, prepare, and load the items that are sent to the other countries. When I looked up the definition of the word volunteer, I found “an individual who performs hours of service voluntarily or of his own free choice”. I feel like this definition doesn’t fully encompass the words that I would use to describe our volunteers.

It would be necessary to add words like selfless, dedicated, hard-working, giving, generous, considerate, passionate, and irreplaceable, to name a few.

Recently, a topic of conversation has been that it is hard to find reliable workers even though wages are increasing. No one wants to work, but yet our volunteers come religiously to get the work done without getting paid.

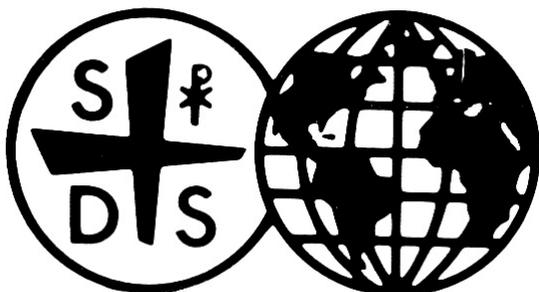

Even when COVID hit and it wasn’t safe for the volunteers to come to the warehouse, they made sure that the work was still getting done by picking up items to work on at home.

No matter how many times we say thank you to the volunteers, it doesn’t seem to be enough. Day in and day out, we rely on them to get the work done, and without fail it happens.

So, to all you volunteers, for the Mission Warehouse or elsewhere, you are amazing and thank you.

Philippines Shipment

Hello Deb, the shipment arrived today. We are so deeply grateful for your efforts, time, resources, and commitment you put into it. Please extend our greatest appreciation and gratitude to the team and volunteers. We are sorting the items ready for distribution to less fortunate in the community. Thank you for being a part for serving the poor.

Our sincere gratitude for these children were able to eat the cracker sticks and old people who are blessed with the stuff for walking. Thanks Salvatorian Mission Warehouse.

Panama Container Update

“A while back you sent San Benito some wheelchairs for young adults and kids with severe paralysis. We were able to channel those wheelchairs to people who really needed them. I just wanted to let you know that those items are in good hands and changing lives.”

– Gregorio, Panama Contact

Gregorio also had the opportunity to visit us at the Warehouse earlier in the year. He was staying in Madison, and decided to Uber all the way to New Holstein to make the visit!

Ghana & Kenya Rice Projects

“We are very grateful for your support given to us by the donors and Salvatorian Mission Warehouse. The beneficiaries are so happy to have received the rice during this festive season. Putting a smile on the faces of these people, I say may God richly bless you, thank you so dearly for the impact you made in their lives.”

– Br. John Deamesi, FFA, Ghana

“It is with a very grateful heart that I write you. You have really opened my eyes to the fact that true happiness consists in making others so happy. The poor children and the widows are so grateful to you and your donors. I wish you were there in the village to see how happy the poor children were. It was very sad to see how hungry they looked. It felt good to satisfy their hunger. Thank you so much for your kindness.” – Rev. Fr. Joseph Adu-Owusu Agyeman, Ghana

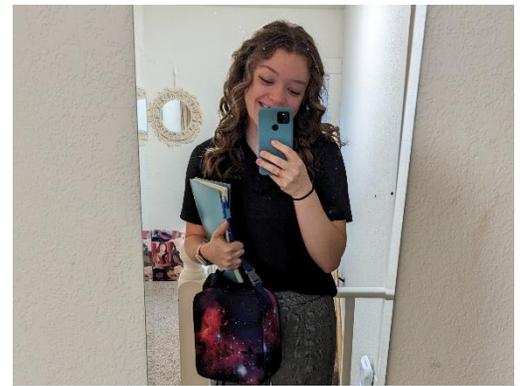

“We definitely have plenty and we bless you all the way from Kenya. Ms. Deb, this was a really touching experience, we’re overwhelmed by the joy carrying food back home.” –

Fr. Simon, Kenya

The Directors Corner ...

Our daughter, Cara, recently started a job at Penske Trucking as a sales and operations management trainee. We are so proud of her and can't wait to see where this takes her! We also had the opportunity to visit our grandson, Graham, in fall. He gets cuter every time we see him and is growing so fast! We can't wait to go visit again soon!
