21.	Does your child understand what people say?		
21.	Does your child sometimes stare at nothing or wander with no purpose?		
23.	Does your child look at your face to check your reaction when faced with something unfamiliar?		

Your Child's Checkup & What It Covers

Making the Most of Your Child's Annual Physical — With Clear Info About Billing

We want your child's yearly checkup to be helpful, healthy, and happy! Here's what's included—and what might come with extra costs—so there are no surprises.

What's Included in a Regular Checkup (Preventive Visit):

Your child's annual physical is all about keeping them growing strong! It includes:

-  A full physical exam
-  Tracking growth, development, and overall health
-  Sports physical paperwork if needed
-  Routine vaccines to keep your child protected
-  Preventive lab orders (Lab benefit coverage is determined by your insurance company)

What's *Not* Included — May Have Extra Charges:

Sometimes, other health concerns come up during the visit. If we treat or discuss things like:

-  Ongoing conditions (like ADHD, asthma, depression etc)
-  New symptoms (like a sore throat, rash, or injury etc)
-  Medication changes or refills for chronic issues
-  Tests for illness (like strep tests, X-rays, or extra lab work)
-  Longer discussions about complex concerns

These are considered *separate* services by insurance and may come with a co-pay, deductible or other charges.

Why Things Are Different Now:

In the past, we could sometimes include extra care in the checkup without extra billing. But, in an effort to follow current billing and insurance requirements, we now have to bill separately for non-preventive care even if it happens during the same visit.

Our Promise to You:

We follow these rules to make sure everything is billed correctly and fairly. Our goal is to care for your child in one visit whenever possible—so you don't have to come back again and again.

If you ever have questions about your child's visit or the bill, our team is here to help. We want you to feel confident and informed every step of the way!
