Outdoor flower stalls in Saigon.

Randall J. Moody, CPT, USA – Saigon 1968-69

Photo #5 of 44

During the Vietnam War this was a well-known status that was supposed to show U.S. and Vietnamese military cooperation. Most G.I.s thought it was a statue of a Vietnamese soldier hiding behind an American soldier. It was one of the first things torn down by the North Vietnamese when they occupied Saigon.
