GOLD KNIGHTS (MIGHTY MITES)

Slayer of the Game: Cameron Redd

For the first time, our Gold Knights felt the sting of defeat as Union City found the endzone a few times Saturday. Our offense did have a couple of good plays moving the ball, however the older and more experienced Colts revealed to our coaches a few areas to work on such as maintaining block assignments so we can reach that end zone. Our defense gave their all with **Cameron Redd** and **Titus Tabellija** recording 5 tackles each. **RJ Ruiz** caused a forced fumble and **Justin Concepcion** had the only sack of the game. **Redd** displayed great blocks on the O-line and most importantly maintained a positive attitude during the entire game time. All the boys held their heads up high and displayed good sportsmanship with a smile after the game.

SILVER KNIGHTS (JR PEE WEEES)

Slayer of the Game: Tu'unahala Leao

Standing and pacing were seen throughout our Silver Knights game this week. The running game was great, the passing game amazing, the defense superb, the sacks were plentiful, the atmosphere was tense and the commentator was annoying...Our boys played with great intensity until the final overtime buzzer sounded. The Colts scored their only regulation TD early in the 1st quarter, however the Knights would hold them throughout the entire rest of the game until overtime play. **Ezekial Medina** would score the team's only touchdown in the second half by way of a 25 yrd fling from **Isaiah DeLuna**. **Medina** would then find **Skyden Shugan** for the extra point tying the game at 7 all. On defense, **Tu'unahala Leao** pressured the QB throughout the game recording several sacks and backfield tackles. He added to the offense as well by catching a long pass from **DeLuna** and running the ball long before he was questionably pushed out on the 1 yrd line. The Colts came out on top in overtime ending the game 7-8.

WHITE KNIGHTS (PEE WEEE)

Slayer of the Game: Jesus Martinez & Jayme Pawlovich

They never cease to amaze, again taking home the win making our White Knight's record an impressive 4 and 0. It was a complete team effort giving several players a chance to show their developing skills and acknowledge that practice makes perfect. The games only two TDs came by way of an 80 yrd and an 18yrd run from **Taashaun Lyons**. This week's defense highlighted an outstanding effort by lineman **Jayme Pawlovich**. Several key plays by **Jesus Martinez** made way for yet another shut-out for our White Knights. **Elijah Bongbonga** punished the Colt's QB throughout the day sealing the 15-0 win.

BLACK KNIGHTS (MIDGETS)

Slayer of the Game: Jenson Quiro

With a key player prohibited from playing due to the weight restriction, our Black Knights came out the blocks very slow and uninteresting in the first half allowing the Colts to take an early lead. After a second half spark, **Jenson Quiro** answered back with a quarterback sneak to get the Knights on the board, followed by a 2-point extra point kick by **Jesse Tovar**. Our defense came alive with a goal line stance keeping Union City out of the endzone for the full 4th quarter. A promising progression down the field with minutes left gave a glimmer of hope, but the late enthusiasm and a few key mistakes resulted in a disappointing 8-14 loss.
