

Hello, Hello, Hello, my fellow ABATE family. Summer is in full swing. Butts are on bikes, wind is blowing in hair, and minds are cleansed. Now I'm going straight into ABATE business mode. Buzz, Buzz, Oooh! Wring thought pattern.

There are two tickets mailed out to members early in the year, if you have not mailed them back/sold/purchased them then it's time to mail them back! They all need to be accounted for. If you did already. Thank you for the support. I know I don't see a many of you but I see your support in the little things. Thanks!

Quick reminder The 3rd Annual American Legion Poker Run / Mystery Ride & BBQ is coming up July 30th. After that we have our Luau on August 12th. It's our first time trying a luau party, so were hoping for a good turn out! Please come if you can make it.

Other news, July 2nd a few of us rode out to the multi-region meeting that region 13 held. With special guest speaker Tim Walberg. It was well attended, a fun time, and very informative. I have been talked into hosting the next multi-region meeting. Damn, more stuff to do, but I love a challenge. It will be at the American Legion #200 (Taylor) February 18th at NOON.

There are a few photos from the Field Meet and the freedom rally

"P.S. We are thinking of setting up a bus trip in October to Fire keeper casino. If you are interested in that please give me a call! "

Peace-Love-Out
