

After School Is Cool!

Hello Again,

Thank you for choosing Country Club Day Program. We provide a high-quality program, providing each child with a learning experience which will benefit him or her throughout their life. Our after-school program offers individualized attention, enriched activities and professional staff in an academic, social and cultural learning setting.

The program is available for students ages 5-12, Monday through Friday from 2-6p, and full day when school is closed. Enriched activities include team competition, dance, swim, academic assistance, etc. Scheduled trips include libraries, zoos, arenas, museums, entertainment centers and more.

Our warm, friendly and professional staff are available, as needed, to ensure quality care and a pleasant atmosphere for the child's successful growth and development.

We invite you to visit us at eagertoserve.org for current information, see the program schedule, tuition rates or call (516) 223-7886. Register now and take advantage of our convenient payment plan. Please inform a friend.

Financial assistance is available if you qualify.
