Frequently Asked Questions

Q: How many teams can shoot per night?

A: Seven teams can shoot per night. However, we are able to accommodate more than 21 teams, if the number of teams per nights remains balanced. Ultimately, we want to have an even number of teams shoot each night.

Q: Can my team shoot on the same night that we did last year?

A: Yes. Last year's teams get priority choice for the same night they had last year. If turn in your COMPLETE team packet AND payment to the club treasurer before May 9, you get to keep your night. If not, your spot will be up for grabs. Seriously. We will hold an auction and sell it to the highest bidder.

Q: Can my team change its night?

A: Yes. If there is an opening on the night your team would like to switch to, you can change nights. You must turn in your COMPLETE team packet AND payment by your first night of league shooting. If you do not have your COMPLETE packet turned in by that time, you will not be allowed to shoot.

Q: Can I register a new team?

A: Yes. New teams can only shoot on nights that have availability. You must turn in your COMPLETE team packet AND payment by your first night of league shooting. If you do not have your COMPLETE packet turned in by that time, you will not be allowed to shoot.

Q: Do I have to be a member of the NRA to shoot on a league team?

A: Yes. Everyone must have a copy of their NRA card or the label off the front of their NRA magazine. A copy of the card or their label must be attached to each individual's membership sheet or the entire team will not shoot that night. There will be no excuses this year for not having your NRA label or copy of your card attached to your membership form.

Q: I'm the Team Captain. What is expected of me?

A: As Team Captain, you should come to spring meeting and pick up team packets. You are responsible for having each team member fill out their membership form, collect money, and make sure that everyone has attached their NRA copies to their individual form. The Team Captain should either:

(1) Submit one payment to the treasurer, e.g. have all team members write you, the Team Captain, a check or give you cash for their portion of team's fee, and then write a check for the overall total, and turn it into the club treasurer

OR

(2) Submit five checks made out to Crooked Creek Trap Club (CCTC) for each individual's portion of the overall team fee and turn it into the club treasurer AT THE SAME TIME

Q: One of my team members didn't turn in their paper work me. Can my team still shoot the first week?

A: No. Your COMPLETE team packet must be turned in before your team is allowed to shoot league.

Q: What is the deal with substitute shooters?

A: All teams must have their subs listed and paid for by Week 5 (Friday, June 16) to be eligible to shoot in the shoot off on Saturday, August 5.

Q: What do you mean when you say "complete packet" exactly?

A:

1 League Team Registration Sheet

5 individual **TEAM** Membership/NRA Forms with NRA label or copy of NRA card (one per team member)

2 (optional) individual **SUBSTITUTE** Membership/NRA Forms with NRA label or copy of NRA card (one per sub)

1 complete payment (either one check for team OR separate checks totaling team fee)

Q: Sunday is Open Shoot and Monday night is Practice Game and Make-Up night. What does this mean?

A: Sundays are reserved for trap, five stand, and skeet. Monday nights will be reserved for non-traditional "practice games" to improve your skills as an instinctive shooter and have fun. In addition, Sunday afternoons and Monday nights can be used as makeup nights; however, any team looking to complete a makeup night on Monday or Sunday **MUST** bring their own puller/scorer. On these days, makeups are not priority. Paying customers come first, and teams must defer to these groups. Teams can shoot where there is an open house. Range officers will **not** help (pull and score) with makeups; they are there to assist paying customers.

Q: What if my team gets behind? How can I make up?

A: We recommend that you do not get behind by more than 3 weeks. Teams are able to make up missed nights on Sunday afternoons and Monday nights. In addition, teams can "get ahead" by shooting two lines of league the same night if space and time allows. If your team will be missing more than three consecutive weeks of shooting, please notify the club president.

Q: When will scores be posted online?

A: Scores will be posted online Tuesday morning for the prior week's league nights. Regardless of your league night, your scores will be posted the following Tuesday. Scores will be posted as a PDF and Excel document. Each format will be available for download enabling members to dig further into the raw data being collected.
