The Highwaymen - Songs & Stories with Matt York

Tuesday, May 9th at 6:30pm

Longtime New England musician/author Matt York will perform the songs of Johnny Cash, Willie Nelson, Kris Kristofferson and Waylon Jennings and tell stories of their careers.

While the four songwriting legends joined forces in the 1980's to form the country supergroup The Highwaymen, they had each established themselves as stars and their careers intersected many times from the 1960's. York was recently nominated for the Boston Music Award for Best Country Artist and his album *Gently Used* was just named one of the Patriot Ledger's best albums of 2022.

This program is supported in part by a grant from the Lakeville Arts Council, a local agency which is supported by the Mass Cultural Council, a state agency.

This is a juried exhibit and we hope to honor Patty's memory with the best work the area has to offer. "Traveling in Abstract" by Rose Mamakos

Rose Mamakos, a Kingston resident, is a self-taught artist. She has been creative in many mediums. However, she finds the bright and vibrant colors of fluid acrylic painting exhilarating because of the movement it constructs on the canvas. She believes that she is merely a vessel for the paint to reveal its beauty of color. She hopes you find her work inspirational and therapeutic.
