## COINCIDING WITH THE COMET ISON'S TRAJECTORY

### A HARBINGER?

During the rare Hybrid Eclipse of Nov 3, 2013 Comet ISON will be crossing Earth's orbital plain. At this time, the part of the Earth that will be facing comet ISON will be the Middle East, in part. The comet will be visible with the naked-eye at that time, throughout the hemisphere during the eclipse in the darkened sky. What is intriguing is that the Planet Mars will be positioned, in line in its background. Will this be an 'omen' of war for Israel?

## FROM EARTH'S PERSPECTIVE

Is it mere coincidence that ISON crosses Earth's orbital plain during the *Hybrid Eclipse* NOV 3, 2013? Is it will also coincidence that at that same time frame, it will mark the first time that the comet will be able to be seen with the naked-eye? The part of the Earth that will be facing the comet as the eclipse occurs will be the Middle East and European latitudes. Since Israel is in the 'middle' of the hemisphere geographically, many End Time scholars are speculating that , the LORD perhaps will be showing Israel a 'witness' of sorts. The back drop of the comet will involve the planet Mars. Many speculate this is an omen or 'harbinger' of impending war to come upon Israel due to this line-up and 'double-witness' of the Hybrid eclipse & ISON. It has been reported that ISON will be the brightest comet known since recordings began. Jewishscholars have long held traditions that a Solar Eclipse will bring judgment on the Nations and a Comet will bring judgment upon Israel.

From a top view of the Solar System, this is the illustration of how the planets will be positioned during the *Rare Hybrid Solar Eclipse* of Nov 3, 2013. Comet ISON will be coming blow the Solar System as it reaches *Perihelion* on Nov 29, 2013 (Jerusalem Time Zone). This also the start of *Hanukkah*. Comet ISON will then swing around the Sun -if it is not disintegrated and travel above the Solar System Plane.

ISON will again be in conjunction with to the Earth's orbital plane around Jan 17, 2014 as it starts to exit out or the Inner Solar System Planets. The month of Jan 2014 will also be the limit in which the comet will able to be seen with the naked-eye if it does not disintegrate.

C/2012 S1, also known as **Comet ISON**, is a sun-grazing comet discovered on 21 September 2012 by Vitali Nevski and Artyom Novichonok.

# THE RARE HYBRID SOLAR ECLIPSE OF 2013

## COINCIDING WITH THE COMET ISON'S TRAJECTORY

### A 'TYPE' OF THE HARVEST & REWARDS TO COME

Jesus Christ

#### THE LORD OF THE HARVEST

*'Ask the Lord of the harvest, therefore, to send out workers into his harvest field.'* - Matthew 9:38

#### A TYPE OF THE RAPTURE HARVEST?

The purpose of this illustration is to show Comet ISON's anticipated path and associate it with a possible prophetic correlation to one constellation in particular. ISON will traverse the constellations of Bootes or the Shepherd and Ophiuchus on its way out of our Solar System. This 'picture' or snap-shot of where the Sun will be on Nov 29 when ISON reaches perihelion and when ISON will be about to enter Bootes around December 2013. Biblically speaking, this could possibly be a 'type' or picture of the 'Shepherd' exiting out with 'sheep' as he swings his 'sickle' to harvest the souls of men to Glory. The Bible declares that Jesus Christ will one day 'harvest' the souls of mankind.

#### THE SICKLE

From a purely speculative but Biblical perspective, Comet ISON could be a very significant and prophetic harbinger or sign on many levels. It could perhaps be a 'sign' for the World, the Church and Israel during and probably soon thereafter the comet leaves the Solar System. In terms of the Body of Christ, many are believing that the Church Age is about to conclude in these 'Last Day's. The Church of Christ, metaphorically could be about to be 'harvested' as the path of ISON accents the 'Celestial Sickle' of the Shepherd depicts.

As the comet speeds and swings around the Sun during its **perihelion** near the Golden Gate or Gate of GOD, it soon 'strikes' the head of the Serpent, starting around December of 2013. This echoes the Promise of Genesis 3:15 to ...'bruise the Head of satan/lucifer'. This 'Celestial Shepherd' *Bootes* is linked to 2 animals that in ancient times were SHEEP, not canines as they are depicted today. Perhaps each is representing the 2 delineations of what comprises the Church Age; the Jewish and Gentile fusion of the one Body of Christ. Further the comet passes by the CROWN that awaits the true Followers of Christ at the *Bema Seat of Christ* after the Rapture.

The Sickle of the Shepherd-Reaper  
*Harvest of the Redeemed*

The Crown for the Overcomers  
*Rewards as Co-Heirs with Christ*

The Crushing of Lucifer's Head  
*Judgment upon Nations & Satan's doom*

## AT MOMENT OF PERIHELION

Where the Sun will be when Comet ISON is nearest to the Sun before orbiting out of the Solar System

November 29, 2013

(Beginning of Hanukkah)

#### THE GOSPEL PLAN OF REDEMPTION IN THE STARS

From the research and work of EW Bullinger. Excerpts taken and quoted directly comprising the Biblical & prophetic interpretation of the constellation Bootes. Emphases added.

#### BOOTES - THE COMING ONE

'He is pictured as a man walking rapidly, with a spear in his right hand and a sickle in his left hand. He Greeks called him Bo-o-tes, which is from the Hebrew root Bo as to come, as in The Coming. It is referred to in Psalm 96:13. It is probable that his ancient name was Arcturus as referred to in Job 9:9. The name of the brightest star, Arcturus.'

#### SPECIFIC STAR:

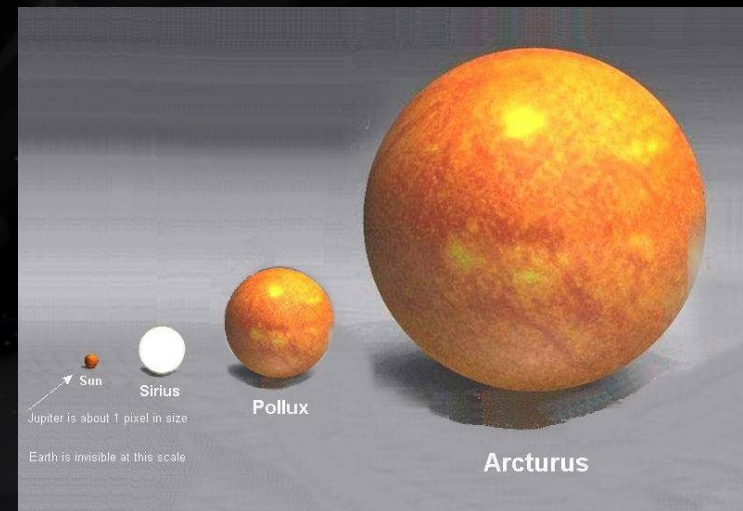

- 1) **Star a** in the left knee, Arcturus means He cometh.
- 2) **Star m** in the spear-head is Al Katurups, which means the branch, treading under foot.
- 3) **Star e** just below the waist on his right side is called Mirac, or Mizar, or Izar. Mirac means the coming forth as an arrow; Mizar, or Izar, means the preserver, guarding.
- 4) **Star h** is called Muphride, i.e. one who separates as in a Harvest.
- 5) **STAR B** in the head is named Nekkar, i.e. the Pierced One -Messiah (Zech 12:10), which tells us that this coming Judge is the One who was pierced. Another Hebrew name is Merga, who bruises.

#### PROPHETIC BIBLICAL INTERPRETATION

*'The meaning of the Stars brings us back again to Genesis 3:15, and closes up this first chapter of the First Book (VIRGO). It shows us the Person of the Promised Seed (Jesus Christ) from the beginning to the end, from the first promise of the birth of the Child in Bethlehem, to the final coming of the great Judge and Harvester to reap the harvest of the Earth.'*

*This was the vision which was afterwards shown to John (Rev 14:15,16), when he says, "I looked; and behold a white cloud, and upon the cloud one sat like unto the Son of Man, having on His head a golden crown, and in His hand a sharp sickle. And another angel came out of the temple, crying with a loud voice to Him that sat on the cloud, Thrust in thy sickle and reap; for the time is come for Thee to reap; for the harvest of the earth is ripe. And He that sat on the cloud thrust in His sickle on the earth; and the earth was reaped."*

*Bootes is the conclusion of the first chapter of this First Book. Here we see the Woman whose Seed is to bruise the serpent's head, the Virgin-Born, the Branch of Jehovah, perfect Man and perfect GOD Immanuel. "GOD with us," yet despised and rejected of men, and yielding up His life that others may have life for evermore. But we see Him coming afterwards in triumphant power to judge the earth.'*
