

January 2021

Dear Friends of MultiArt STUDIO,

Foremost hopes for your health and safety during this pandemic time! Art making is a wonderful tool to aid in dealing with worries, feelings, and even quarantine. Get out your materials and get busy!

Private and small classes continue in accordance with Swiss regulations both in the STUDIO and online. Now more than ever we need to reach out and find ways to communicate meaningfully with others who will listen and feel compassion for our unique situations.

Vacations, holidays, celebrations all take on new dimensions. Less is more. Nearest and dearest. Safety first.

Many of us have found this to be a highly creative period, for some with more time and energy. I can't wait to see the exhibitions that come out of this productive period!

Speaking of exhibitions, you may recall that **Reflections** was rescheduled for May/June 2021 at the AWCZ Gallery. Pencil in May 7th for the opening! Artworks from AWCZ members will be featured along with several talented professional students from MultiArt STUDIO.

Our 2021 ZIWA Sketching and Painting outings have been scheduled. We will kick-off our year with Zoom sketching on January 27! We look forward to creative ways of connecting safely while encouraging art and friendships! We are so blessed in Switzerland with amazing parks and fresh air. Send Kathie an email if you would like more information.

With healthful and colorful regards,

Kathie
