		Wet food with gravy	Wet food with jelly
		Fish	Meat
		Dry food	Combination
		Own food	
CONDITIONS OF ACCEPTANCE OF CATS			
<p>All cats must have been vaccinated against cat flu, enteritis and feline leukaemia. A valid certificate of inoculation must be produced when dropping off pets for boarding. The kennel manager will try to contact the owner/emergency contact in the event of a medical issue. If a visit to the vet is required the manager will take the cat to either Pike Moor or Companion Care, if the cat's own vet is not in easy travelling distance.</p> <p>A charge of £10 each way is payable for travel expenses. Copperbeech will pay for treatment whilst the pet is boarding and the owner agrees to reimburse the kennels on collection of the pet. In the event of the pet being unable to be saved, the kennel manager will only give consent for euthanasia where it is imperative for the pet's welfare and after attempting to contact the owner.</p> <p>If there is evidence of fleas, ticks, lice etc , the kennel manager has the authority to treat the condition after discussion with a vet.</p> <p>Boarding is agreed to on the understanding that if the pet is not collected within 14 days of the agreed departure date (and any subsequent fee arrears paid), Copperbeech Kennels will become the automatic owners of the pet and have the authority to sell or otherwise rehome them.</p> <p>Where previously agreed, pets from the same household may share a cattery however if a problem arises, Copperbeech has the right to separate animals sharing boarding for the safety of staff or pets. It is understood that Copperbeech may post pictures of pets on social media.</p> <p>Data is held on a contractual basis only; our full privacy policy is available on request.</p> <p>I agree to the above conditions.</p>			
<p>For office use only:</p> <p>Vaccination cert seen: <input type="text"/> Expiry Date: <input type="text"/></p>
