Electronic Visit Verification Starting Soon!

Electronic Visit Verification (EVV) is a federal law that will require IHSS and WPCS providers to include the following information when completing their timesheet.

1. Check-in at the beginning of each shift in real time; and
2. Check-out at the end of each shift in real time; and
3. Identify their location when checking in or out as either at the recipient's home or in the community.

This change will go into effect on 7/1/2023 for ONLY non-live in providers. .

What to expect in the coming months:

1. More information regarding the IHSS EVV mobile app
2. Training materials
3. Online webinar

For more information on EVV click [here](#).
