Preliminary Notice of the Results of the 2021 Reappraisal

The Town of Coventry contracted with New England Municipal Consultants, Ltd. (NEMC) for a complete reappraisal of all real estate within the town for the 2021 Grand List. As a portion of that contract NEMC is required to hold informal public hearings to discuss the new proposed values with property owners. This booklet is a presentation of the proposed 2021 values. **This notice does not constitute the beginning of the legal grievance period. You will be officially notified of your Grand List value in early June 2021.**

The enclosed list is ordered alphabetically by location. Each list contains the parcel number, owners name, the property location, the total acreage, the previous 2020 Grand List value and the proposed 2021 Grand List value. **Please note that 2021 values are not adjusted for current use. Current use adjustments will be applied prior to billing.**

All values are also on line. Go to www.coventryvt.org and look for the link to proposed property assessments. The site will allow you to research sales and comparable values.

Coventry's last reappraisal occurred in 2007. Property and market conditions have changed dramatically over that period. In the fall of 2019, NEMC began a re-inspection program to recollect information on the homes and businesses in Coventry. Upon completion of the property inspections, the senior project manager established new values for all property by analyzing the sales of property within Coventry. The results were applied to the appraisal of land and buildings in Coventry. The project supervisor personally reviewed the appraisal for each property and viewed the parcel in question; checking locations, grades, condition and topography for each property.

The Assessor has given preliminary approval to the project. The next step is for the property owners to informally discuss the new appraisal with the staff of NEMC. In this process, you, the property owner, has the opportunity to sit and discuss the new value, the reasoning behind it, and the data used to arrive at the new value. The key to the process is a discussion of fair market value. Vermont law states that all taxable property in the Town is to be appraised at fair market value. Fair market value can best be described as the value you might reasonably expect to receive upon sale of your property in a fair, considered transaction.

The enclosed proposed value is an indication of the market value of your property as of April 1, 2021. If you feel that the proposed value is not a fair indication of market value for your property, you should schedule an informal

meeting with NEMC representatives. You will be given the opportunity at that meeting to potentially adjust your value based on the market value of the property. You should be prepared to compare your property to other similar homes, bring data about the condition of your house or land, or bring any appraisal or sale documents you may have. The process is meant to be informal and informative. The goal is to have fair and equitable property values for all.

Your value can be adjusted for only three reasons;

1. **The property is not worth what it is valued at.** Simply, you feel your property is worth less (or more) than stated.
2. **The property is not fairly assessed when compared to others.** If you compare your property to other similar property, you feel you are being unfairly treated.
3. **There are physical errors in the listing.** You can get a copy of your new appraisal card at the meeting or by contacting the Assessor at their office number or by email at assessoroffice@coventryvt.org

Each hearing will be scheduled for 10-15 minutes. You will be provided with a copy of your new property record card. NEMC representatives will make notes and view the property at a later time if needed. You will be notified of any change through the grievance notice you receive in early June.

The informal hearings will begin May 6, 2021. Daytime and evening hours will be available. Please call the Assessor's Office at (802) 754-1803 to set up an appointment. **Masks will be required for in-person meetings.** Appointments can be scheduled by calling Monday through Wednesday from 9:00 am to 3:00 pm. If you cannot attend a meeting, please send any information to the Assessor's Office to support your contentions. The address is,

**Assessor's Office
PO Box 8
Coventry, VT 05825.**

This information must be received by May 15, 2021 to be considered in this informal process. Please remember that formal appeals can be made when grievance notices are mailed in early June 2021.

The Coventry Assessor, Selectmen, and NEMC thank the property owners of the Town of Coventry for the cooperation shown throughout this project.

Sincerely yours,
New England Municipal Consultants, Ltd.
